1 Section 1. Section 321.1, Code Supplement 1987, is amended
2 by adding the following new subsections:

3 NEW SUBSECTION. 87. "Rescue vehicle" means a motor
4 vehicle which is equipped with rescue, fire, or life support
5 equipment used to assist and rescue persons in emergencies or
6 support emergency personnel in the performance of their
7 duties.

8 NEW SUBSECTION. 88. "Fire vehicle" means a motor vehicle
9 which is equipped with pumps, tanks, hoses, nozzles, ladders,
10 generators, or other fire apparatus used to transport fire
11 personnel, fight fires, and respond to emergencies.

12 Sec. 2. Section 322.29, Code 1987, is amended by adding
13 after unnumbered paragraph 3 the following new unnumbered
14 paragraph:

15 NEW UNNUMBERED PARAGRAPH. A person who rebuilds new
16 completed motor vehicles by fabricating, altering, adding, or
17 replacing essential parts, components, or equipment for the
18 purpose of building an ambulance, rescue vehicle, or fire
19 vehicle as defined in chapter 321 may be issued a license as a
20 wholesaler of new motor vehicles of the make and model
21 rebuilt.

22 EXPLANATION

23 Currently, a person must be authorized by the motor vehicle
24 factory to be a new vehicle wholesaler of that line-make, just
25 as a person must be authorized by the factory to be a retail
26 dealer. A number of specialized Iowa businesses are
27 rebuilding new vehicles into emergency vehicles but are not
28 large enough to be authorized as wholesalers by the factories.
29 This bill will authorize these persons to be licensed as
30 wholesalers and buy those vehicles at wholesale.
