1 Section 1. Section 135.13, subsection 1, Code Supplement  
2 1989, is amended by adding the following new unnumbered  
3 paragraph:

4 NEW UNNUMBERED PARAGRAPH. The advisory committee shall  
5 regularly meet with the administrative head of the office as  
6 well as the director of the center for agricultural health and  
7 safety established under section 262.72. The head of the  
8 office and the director of the center shall consult with the  
9 advisory committee and provide the committee with relevant  
10 information regarding their agencies.

11 Sec. 2. Section 135.13, subsection 2, Code Supplement 1989,  
12 is amended by adding the following new paragraph:

13 NEW PARAGRAPH. g. Cooperate with the center for  
14 agricultural health and safety established under section  
15 262.72, the center for health effects of environmental  
16 contamination established under section 263.17, and the  
17 department of agriculture and land stewardship. The agencies  
18 shall coordinate programs to the extent practicable.

19 Sec. 3. NEW SECTION. 262.72 CENTER FOR AGRICULTURAL  
20 HEALTH AND SAFETY.

21 1. The board of regents shall establish a center for  
22 agricultural health and safety at the university of Iowa. The  
23 center shall be a joint venture by the university of Iowa and  
24 Iowa state university of science and technology. The center  
25 shall establish farm health and safety programs designed to  
26 reduce the incidence of disabilities suffered by persons  
27 engaged in agriculture which results from disease or injury.  
28 The university of Iowa is primarily responsible for the  
29 management of agricultural health and injury programs at the  
30 center. Iowa state university of science and technology is  
31 primarily responsible for the management of the agricultural  
32 safety programs of the center.

33 2. The center shall cooperate with the office of rural  
34 health, established under section 135.13, the center for  
35 health effects of environmental contamination established

1 pursuant to section 263.17, and the department of agriculture  
2 and land stewardship. The agencies shall coordinate programs  
3 to the extent practicable.

4 3. The president of the university of Iowa, in  
5 consultation with the president of Iowa state university of  
6 science and technology, shall employ a full-time director of  
7 the center. The center may employ staff to carry out the  
8 center's purpose. The director shall coordinate the  
9 agricultural health and safety programs of the center. The  
10 director shall regularly meet and consult with the advisory  
11 committee to the office of rural health. The director shall  
12 provide the board of regents with relevant information  
13 regarding the center.

14 4. The center may solicit, accept, and administer moneys  
15 contributed to the center by any source, and may enter into  
16 contracts with public or private agencies in order to carry  
17 out its purposes.

5642 18 5. The center shall submit an annual report of the  
19 activities of the center to the governor, the secretary of the  
20 senate and the chief clerk of the house of representatives by  
21 January 15 of each year.

22 Sec. 4. Section 263.17, Code 1989, is amended by adding  
23 the following new subsection:

24 NEW SUBSECTION. 7. The center shall cooperate with the  
25 office of rural health, established under section 135.13, the  
26 center for agricultural health and safety established under  
27 section 262.72, and the department of agriculture and land  
28 stewardship. The agencies shall coordinate programs to the  
29 extent practicable.

30 Sec. 5. INTEGRATION OF AGRICULTURAL HEALTH AND SAFETY  
31 SERVICE PILOT PROGRAMS.

32 The Iowa agricultural health and safety pilot program  
33 established as part of the college of medicine of the  
34 university of Iowa to provide comprehensive occupational  
35 health and safety services to persons engaged in farming

1 pursuant to 1987 Iowa Acts, chapter 233, section 408,  
2 subsection 2, paragraph "a", subparagraph (2), as modified by  
3 1989 Acts, chapter 304, section 802, shall be integrated under  
4 the administration of the center for agricultural health and  
5 safety established under section 262.72.

6 EXPLANATION

7 This bill requires the state board of regents to establish  
8 a center for agricultural health and safety located at the  
9 university of Iowa, as a joint venture by the university of  
10 Iowa and Iowa state university of science and technology. The  
11 purpose of the center is to establish farm health and safety  
12 programs designed to reduce the incidence of disabilities  
13 suffered by persons engaged in agriculture resulting from  
14 disease or injury. The bill provides for the management of  
15 the programs. The bill provides for the employment of a  
16 director, and powers of the center. The center is required to  
17 submit an annual report of its activities to the governor and  
18 the general assembly. The bill also requires cooperation  
19 between the center, the office of rural health of the Iowa  
20 department of public health, the center for health effects of  
21 environmental contamination of the university of Iowa, and the  
22 department of agriculture and land stewardship. The director  
23 of the center and the head of the office of rural health are  
24 required to consult with and inform the advisory committee of  
25 the office of rural health.

29 appropriation made under this section, \$50,000 shall be  
30 allocated to the office to provide competitive research grants  
31 to conduct economic analyses of the effects of health care  
32 restructuring models on rural communities.

33 EXPLANATION

34 This bill requires the state board of regents to develop a  
35 center for agricultural health and safety as a joint venture

1 by the university of Iowa and Iowa state university of science  
2 and technology. The purpose of the center is to administer  
3 farm health and safety programs designed to reduce the  
4 incidence of disabilities suffered by persons engaged in  
5 agriculture resulting from disease or injury. The bill  
6 provides for the employment of a director, and powers of the  
7 center. The center is required to submit an annual report of  
8 its activities to the governor and the general assembly. The  
9 bill also requires cooperation between the center, the office  
10 of rural health of the Iowa department of public health, the  
11 center for health effects of environmental contamination of  
12 the university of Iowa, and the department of agriculture and  
13 land stewardship. The director of the center and the head of  
14 the office of rural health is required to consult with and  
15 inform the advisory committee of the office of rural health.

16 The bill appropriates \$500,000 to the state board of  
17 regents for the center for agricultural health and safety. It  
18 allocates moneys for administration and programs, including  
19 support for medical and engineering services, an agricultural  
20 safety specialist, a program emphasizing farm safety for  
21 children, the national coalition for agricultural safety and  
22 health, and educational programs.

23 The bill appropriates \$100,000 to the Iowa department of  
24 public health for the office of rural health. The bill  
25 allocates moneys to support technical assistance grants to  
26 rural communities and counties exploring alternative means of  
27 delivering rural health services, and to support competitive  
28 research grants to conduct economic analyses of the effects of  
29 health care restructuring models on rural communities.
