BACKGROUND STATEMENT

SUBMITTED BY THE AGENCY

1
2 Currently the Environmental Protection Commission has com-
3 plete commission authority to approve the entire budget of the
4 Department that will be submitted to the Governor and General
5 Assembly, while the Natural Resource Commission has no
6 authority in this area. The proposed changes to the Code
7 would give each commission the authority to approve the budget
8 that is submitted to the Governor and General Assembly for the
9 programs under each commission's respective jurisdiction.
