- 31 This bill provides for establishment of an airport

- 34 the authority board from a committee selected by the
- 35 municipalities to appoint the board, to direct appointment by

- 1 the governing bodies of the municipalities and changes the
- 2 board terms from five years to four years. The bill
- 3 eliminates airport authority committees provided under current
- 4 law. This proposal provides for the joining or withdrawing
- 5 from authorities, the dissolution of authorities, and for the
- 6 transition from authorities created prior to July 1, 1989, to
- 7 the authorities provided for under this bill. It also
- 8 provides for authorities to appoint peace officers and
- 9 provides that general obligation bonds may be issued by a city
- 10 to benefit an airport operated by an authority or other agency
- 11 if the city is a member of the authority.
- 12 BACKGROUND STATEMENT
- 13 SUBMITTED BY THE AGENCY
- 14 Some airports report that the current law makes it
- 15 difficult to establish an airport authority. This proposal
- 16 makes the process easier; however, nothing in the bill
- 17 requires the use of the authority structure to operate any
- 18 airport.
- 19 The current airport authority chapter makes it cumbersome
- 20 to create an airport authority because it requires member
- 21 entities to appoint committee members who in turn elect the
- 22 authority board. Additionally, the population representation
- 23 of 1 per 50,000 population on the committee is not applicable
- 24 in all areas of the state, particularly rural areas.
- 25 At least one airport expressed some interest in
- 26 establishing an authority as a single entity. Under current
- 27 law at least two entities are required to create an authority.
- 28 This proposal allows an authority to be formed by a single
- 29 governmental unit or in conjunction with other units.
- 30 Facilitating the establishment of multijurisdictional
- 31 authorities may encourage development of more regional
- 32 airports, sharing of facilities, and stretching of scarce
- 33 dollars.
