10 equivalent positions and not more than \$201,430 from all  
11 revenue sources may be expended for support and miscellaneous  
12 purposes. Unanticipated federal and local grants or receipts  
13 received after this Act becomes effective are not subject to  
14 this condition.

15 As a condition, limitation, and qualification of this  
16 appropriation, each state department hiring to fill a newly  
17 created full-time equivalent position shall fill the position  
18 within eight weeks of the approval of the enacting legislation  
19 or, if the position is not filled, shall report to the co-  
20 chairpersons and ranking minority members of the  
21 administration appropriations subcommittee the reason the  
22 position was not filled, the anticipated date of filling the  
23 position, and the anticipated savings in personal services due  
24 to the length of time the position was not filled. The  
25 department of management shall assist and cooperate in  
26 carrying out this requirement.

27 The department of management shall report to the co-  
28 chairpersons and ranking minority members of the  
29 administration appropriations subcommittee on every  
30 significant transfer between object classes of accounts.

31 Sec. 21. There is appropriated from the general fund of  
32 the state to the department of management for the fiscal year  
33 beginning July 1, 1989, and ending June 30, 1990, the  
34 following amount, or so much thereof as is necessary, to be  
35 used for the purposes designated:

1 COUNCIL OF STATE GOVERNMENTS

2 For support of the membership assessment:

3 ..... \$ 58,600

4 Sec. 22. There is appropriated from the general fund of  
5 the state to the office of state-federal relations for the  
6 fiscal year beginning July 1, 1989, and ending June 30, 1990,  
7 the following amount, or so much thereof as is necessary, to  
8 be used for the purposes designated:

9 For salaries, support, maintenance, miscellaneous purposes,  
10 and for not more than the following full-time equivalent posi-  
11 tions:

12 ..... \$ 200,629

13 ..... FTEs 3.0

14 Sec. 23. Notwithstanding section 8.55, the moneys in the  
15 Iowa economic emergency fund are transferred to the general  
16 fund of the state if necessary to avoid a deficit in the  
17 general fund of the state and to defray expenses at the  
18 conclusion of the fiscal year beginning July 1, 1989, and  
19 ending June 30, 1990.

20 Sec. 24. For purposes of this Act and any other  
21 appropriations statute enacted by the Seventy-third General  
22 Assembly, 1989 Session, "full-time equivalent position" means  
23 a budgeting and monitoring unit that equates the aggregate of  
24 full-time positions, part-time positions, a vacancy and  
25 turnover factor, and other adjustments. One full-time  
26 equivalent position represents two thousand eighty working  
27 hours, which is the regular number of hours one full-time  
28 person works in one fiscal year. The number of full-time  
29 equivalent positions shall be calculated by totaling the  
30 regular number of hours that could be annually worked by  
31 persons in all authorized positions, reducing those hours by a  
32 vacancy and turnover factor and dividing that amount by two  
33 thousand eighty hours. In order to achieve the full-time  
34 equivalent position level, the number of filled positions may  
35 exceed the number of full-time equivalent positions during

1 parts of the fiscal year to compensate for time periods when  
2 the number of filled positions is below the authorized number  
3 of full-time equivalent positions.

4 Sec. 25. Section 19.29, Code 1989, is amended to read as  
5 follows:

6 19.29 PERFORMANCE OF DUTY -- EXPENSE.

7 The executive council shall not employ others, or incur any  
8 expense, for the purpose of performing any duty imposed upon  
9 the council when the duty may, without neglect of their usual  
10 duties, be performed by the members, or by their regular  
11 employees, but, subject to this limitation, the council may  
12 incur the necessary expense to perform or cause to be  
13 performed any legal duty imposed on the council, and pay the  
14 same out of any money in the state treasury not otherwise  
15 appropriated. ~~The council shall consider the original sources~~  
16 ~~of funds prior to committing general fund moneys in performing~~  
17 ~~its duties under this section.~~

18 Sec. 26. Section 19.34, Code 1989, is amended by adding  
19 the following new subsection:

20 NEW SUBSECTION. 3. The executive council shall resolve  
21 any disputes transmitted to it by the department of natural  
22 resources, the state building code commissioner, or both,  
23 arising under section 470.7.

24 Sec. 27. Section 29C.20, subsection 1, Code 1989, is  
25 amended by adding the following new unnumbered paragraph:

26 NEW UNNUMBERED PARAGRAPH. When a state department or  
27 agency requests that moneys from the contingent fund be  
28 expended to repair, rebuild, or restore state property  
29 injured, destroyed, or lost by fire, storm, theft, or  
30 unavoidable cause, the executive council shall consider the  
31 original source of the funds for acquisition of the property  
32 before authorizing the expenditure. If the original source  
33 was other than the general fund of the state, the department  
34 or agency shall be directed to utilize moneys from the  
35 original source if possible. The executive council shall not

1 authorize the repairing, rebuilding, or restoring of the  
2 property from the disaster aid contingent fund if it  
3 determines that moneys from the original source are available  
4 to finance the project.

5 Sec. 28. Section 470.7, Code 1989, is amended by adding  
6 the following new unnumbered paragraph:

7 NEW UNNUMBERED PARAGRAPH. Within thirty days of receipt of  
8 the response of the public agency affected, the department,  
9 the commissioner, or both, shall notify in writing the public  
10 agency affected of the department's, the commissioner's or  
11 both's, agreement or disagreement with the response. In the  
12 event of a disagreement, the department, the commissioner, or  
13 both, shall at the same time transmit the notification of  
14 disagreement with response and related papers to the executive  
15 council for resolution pursuant to section 19.34.

3732-16 Sec. 29. For purposes of section 470.4, the operational  
17 requirements and the optimum life cycle cost of the renovation  
18 facility design of the old historical building shall include  
19 utilization to the maximum extent practicable of state-of-the-  
20 art energy efficiency equipment, systems, and procedures and

24 shall include utilization of all equipment, systems, and  
25 procedures reasonably necessary to measure over the life of  
26 the renovation the energy savings resulting from the  
27 renovation and the energy savings, if any, attributable to

29 Sec. 30. For purposes of section 470.4, the operational  
30 requirements and the optimum life cycle cost of the facility  
31 design of the proposed capitol annex office building shall  
32 include utilization to the maximum extent practicable of

# OFFICE OF THE GOVERNOR

STATE CAPITOL  
DES MOINES, IOWA 50319

515 281-5211

TERRY E. BRANSTAD  
GOVERNOR

June 5, 1989

The Honorable Elaine Baxter  
Secretary of State  
State Capitol Building  
L O C A L

Dear Madam Secretary:

I hereby transmit Senate File 517, an act relating to and making appropriations to various state agencies including certain state elected officials, the executive council, the department of general services, the department of personnel, the department of revenue and finance, the office of state-federal relations, and the department of management, appropriating certain membership fees, restricting the expenditure of moneys from the disaster aid contingent fund, revising provisions relating to life cycle cost analyses of public facilities, transferring moneys in the Iowa economic emergency fund to the general fund of the state, and providing an effective date.

Senate File 517 is, therefore, approved on this date with the following exceptions which I hereby disapprove.

I am unable to approve the item designated as Section 1, unnumbered paragraphs 3 and 4, and Section 31, in its entirety, which would establish a pilot project to provide county recorders on-line computer access to records maintained by the Secretary of State. Private enterprise is currently serving Iowans with access to these records without the use of taxpayers funds and, indeed, the private payroll contributes to the state's economy. As long as private enterprise is willing to provide this service, we should resist this unnecessary expansion of government.

I am unable to approve the item designated as Section 1, unnumbered paragraph 5, which calls for the purchase of computer hardware and software to begin computerization of election results for reporting on election night. Iowa's news media does an excellent job of gathering and reporting election results at no cost to the state and we should encourage this private enterprise to continue to do so, rather than add an unnecessary burden on Iowa's taxpayers.

The Honorable Elaine Baxter  
June 5, 1989  
Page 2

I am unable to approve the item designated as Section 20, unnumbered paragraphs 4 and 5. This provision requires each state department to fill every newly created position within eight weeks of the approval of the legislation. In many cases, this requirement is impractical and inappropriate. This form of legislative micro-management clearly intrudes on executive branch management responsibilities.

Paragraph 5 of Section 20 requires that every specific accounts transfer to be reported to the General Assembly. The reporting requirements are not clearly defined and are burdensome.

I am unable to approve the designated portion of unnumbered paragraph 6 in Section 20. This provision requires the Department of Management to maintain the targeted small business set-aside program despite a Supreme Court decision to the contrary. Moreover, this provision requires the department to collect data to prove that the state discriminates against such business. Such a function of state government lacks credibility. This item veto will allow the department to operate the targeted small business program, consistent with the U.S. Supreme Court decision.

I am unable to approve the item designated as Section 30 in its entirety. This section details standards for a proposed Capitol Annex office building. There is no need for such standards -- no such building is to be built.

I am unable to approve the item designated as Section 31, in its entirety. With the veto of the pilot program for the county recorder direct access program, this section is unnecessary.

For the above reasons, I hereby respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in Senate File 517 are hereby approved as of this date.

Sincerely,

Terry E. Branstad  
Governor
