1 repairs to all damage to the vehicle is less than  
2 three thousand dollars, the county treasurer shall  
3 issue the regular certificate of title without the  
4 rebuilt designation. The county treasurer shall issue

7 parts review has been conducted by a peace officer who  
8 has been specially certified and recertified when  
9 required by the Iowa law enforcement academy to do  
10 salvage theft examinations. The Iowa law enforcement  
11 academy shall determine standards for training and  
12 certification, conduct training, and may approve

14 academy's standards for training and certification.  
15 For the purpose of this section, a wrecked or salvage  
16 vehicle shall be considered to have component part  
17 damage if there is major damage requiring repairs or

36 to the department. The department shall maintain a  
37 record of all reviews. If a vehicle does not have

40 certificate to the owner to that effect. The  
41 certificate shall be surrendered to the county  
42 treasurer at the time of application for a regular

2 law enforcement academy shall determine standards for  
3 training and certification, conduct training, and may

8 and location designated by the peace officer doing the  
9 examination. The owner may obtain a permit to drive  
10 the vehicle to and from the examination location by  
11 submitting a repair affidavit to the agency performing  
12 the examination stating that the vehicle is reasonably  
13 safe for operation and listing the repairs which have  
14 been made to the vehicle. The owner must be present  
15 for the examination and have available for inspection  
16 the salvage title, bills of sale for all essential  
17 parts changed, and the repair affidavit. The  
18 examination shall be for the purposes of determining  
19 whether the vehicle or repair components have been  
20 stolen. The examination is not a safety inspection.  
21 and a signed salvage theft examination certificate  
22 shall not be construed by any court of law to be a  
23 certification that the vehicle is safe to be operated.  
24 There shall be no cause of action against the peace  
25 officer or the agency conducting the examination or  
26 the county treasurer for failure to discover or note  
27 safety defects. If the vehicle passes the theft  
28 examination, the peace officer shall indicate that the  
29 vehicle passed examination on the salvage theft  
30 examination certificate and, with regard to a vehicle  
31 which is required to bear the word "REBUILT" stamped  
32 or printed on the face of the title, shall permanently  
33 identify the vehicle as "rebuilt" on the driver's door  
34 jamb or other area on the vehicle as designated by the  
35 department. A removal or alteration of this rebuilt  
36 identification is a violation of section 321.92. The  
37 repair affidavit, permit, and salvage theft  
38 examination certificate shall be on controlled forms  
39 prescribed and furnished by the department. The owner  
40 shall pay a fee of thirty dollars upon completion of  
41 the examination. The agency performing the  
42 examinations shall retain twenty dollars of the fee  
43 and shall pay five dollars of the fee to the  
44 department and five dollars of the fee to the  
45 treasurer of state for deposit in the general fund of  
46 the state. The Iowa law enforcement academy ~~to~~ may

1 Sec. \_\_\_\_ . Section 321.52, subsection 4, paragraph  
2 b, unnumbered paragraph 1, Code 1991, is amended to  
3 read as follows:

4 When a wrecked or salvage vehicle has been  
5 repaired, the owner may apply for a regular  
6 certificate of title by paying the appropriate fees  
7 and surrendering the salvage certificate of title and  
8 a properly executed salvage theft examination  
9 certificate. The county treasurer shall issue a  
10 regular certificate of title which, commencing  
11 September 1, 1988, if the wrecked or salvage vehicle

14 The rebuilt designation shall be included on every

17 has been transferred to an insurer organized under the  
18 laws of this state or admitted to do business in this  
19 state, or if the transfer was the result of a  
20 settlement with the owner of the vehicle arising from  
21 damage to or the unrecovered theft of the vehicle, and  
22 if the insurer certifies to the county treasurer on a  
23 form approved by the department that the cost of  
24 repairs to all damage to the vehicle is less than  
25 three thousand dollars, the county treasurer shall  
26 issue the regular certificate of title without the  
27 rebuilt designation. The county treasurer shall issue  
28 a regular certificate of title without the "REBUILT"  
29 designation if, before repairs are made, a component  
30 parts review has been conducted by a peace officer who  
31 has been specially certified and recertified when  
32 required by the Iowa law enforcement academy to do  
33 salvage theft examinations. The Iowa law enforcement  
34 academy shall determine standards for training and  
35 certification, conduct training, and may approve  
36 alternative training programs which satisfy the  
37 academy's standards for training and certification.  
38 For the purpose of this section, a wrecked or salvage  
39 vehicle shall be considered to have component part  
40 damage if there is major damage requiring repairs or  
41 replacement of more than two of the vehicle's  
42 component parts. A "component part" means the rear  
43 clip, cowl, frame or inner structure forward of the  
44 cowl, body, cab, front end assembly, front clip, or  
45 such other parts which are critical to the safety of  
46 the vehicle as determined by rules adopted by the  
47 department. The owner shall pay a fee of thirty-five  
48 dollars upon the completion of the prerepair component  
49 parts review. The agency performing the examinations  
50 shall retain twenty-five dollars of the fee and shall

E-3048

1 pay five dollars of the fee to the department and five  
2 dollars of the fee to the treasurer of state for  
3 deposit in the general fund of the state. The Iowa  
4 law enforcement academy may provide for the special  
5 training, certification, and recertification of  
6 officers as required by this subsection. The peace  
7 officer conducting the review shall maintain a record  
8 of the review and shall forward a copy of the review  
9 to the department. The department shall maintain a  
10 record of all reviews. If a vehicle does not have  
11 component damage as determined in this subsection, the  
12 officer conducting the review shall issue a  
13 certificate to the owner to that effect. The  
14 certificate shall be surrendered to the county  
15 treasurer at the time of application for a regular  
16 certificate of title and the treasurer shall forward  
17 the certificate to the department.

18 Sec. \_\_\_\_ . Section 321.52, subsection 4, paragraph  
19 c, unnumbered paragraph 1, Code 1991, is amended to

24 academy to do salvage theft examinations. The Iowa  
25 law enforcement academy shall determine standards for  
26 training and certification, conduct training, and may

28 the academy's standards for training and  
29 certification. The owner of the salvage vehicle shall  
30 make the vehicle available for examination at a time  
31 and location designated by the peace officer doing the  
32 examination. The owner may obtain a permit to drive  
33 the vehicle to and from the examination location by  
34 submitting a repair affidavit to the agency performing  
35 the examination stating that the vehicle is reasonably  
36 safe for operation and listing the repairs which have  
37 been made to the vehicle. The owner must be present  
38 for the examination and have available for inspection  
39 the salvage title, bills of sale for all essential  
40 parts changed, and the repair affidavit. The  
41 examination shall be for the purposes of determining  
42 whether the vehicle or repair components have been  
43 stolen. The examination is not a safety inspection  
44 and a signed salvage theft examination certificate  
45 shall not be construed by any court of law to be a  
46 certification that the vehicle is safe to be operated.  
47 There shall be no cause of action against the peace  
48 officer or the agency conducting the examination or  
49 the county treasurer for failure to discover or note  
50 safety defects. If the vehicle passes the theft

Before approval is given, the director of the department of management shall determine that the expenses exceed the funds budgeted by the general assembly to the board for rate regulation and that the board does not have other funds from which the expenses can be paid. Upon approval of the director of the department of management the board may expend and encumber funds for the excess expenses, and increase quarterly assessments to raise the additional funds. The board and the office of consumer advocate may add additional personnel or contract for additional assistance to review and evaluate energy efficiency plans and the implementation of energy efficiency programs including, but not limited to, professionally trained engineers, accountants, attorneys, skilled examiners and inspectors, and secretaries and clerks. The board and the office of the consumer advocate may expend additional sums beyond those sums appropriated. However, the authority to add additional personnel or contract for additional assistance must first be approved by the

a. ## OFFICE OF THE GOVERNOR

STATE CAPITOL

DES MOINES, IOWA 50319

515 281-5211

February 15, 1991

The Honorable Bob Arnould  
Speaker of the House  
State Capitol Building  
L O C A L

Dear Mr. Speaker:

I hereby transmit House File 173, an act relating to reductions in appropriations made for the fiscal year ending June 30, 1991, to departments and agencies of state government and to other public purposes, a supplemental appropriation, and transferring moneys from the Iowa plan fund and other funds to the general fund of the state, and providing for retroactive applicability and various effective dates.

By deauthorizing \$59.4 million of spending, this bill is a positive action to address the projected shortfall in fiscal year 1991. The bill is an important first step toward bringing state spending in line with revenue. The spirit of cooperation shown by both parties and both houses in accomplishing this difficult task will serve the state well as you now go on to hold the line on spending increases in the year ahead.

House File 173 is, therefore, approved on this date with the following exceptions which I hereby disapprove.

I am unable to approve the item designated as Section 615, in its entirety. This section requires the Department of Management to report monthly on furloughs, layoffs, and the effects on services provided by the agency. The Department of Management will work with the General Assembly to provide information as needed without the burden of a monthly report.

I am unable to approve the item designated as Section 914, in its entirety. This provision would reduce funding for the operation of the Office of the Board of Regents and would impair the Board in carrying out its mission to oversee our state universities. While I am unable to approve this section, I do anticipate that the Office of the Board of Regents will revert at least \$38,000 to the general fund.

The Honorable Bob Arnould  
February 15, 1991  
Page 2

I am unable to approve the designated portion of Section 920. This portion of the section provides \$500,000 of additional financing for purposes not originally included in the list of capital projects as provided in Chapter 322, Section 3. Because this spending is over and above previously authorized amounts, I am unable to approve it at this time.

I am unable to approve the item designated as Section 1101, unnumbered paragraph two, in its entirety. This item provides that the balance in the Public Transit Assistance fund on June 30, 1991, that is needed to satisfy transit system contracts for the period from July 1, 1991, to September 30, 1991, shall not revert to the general fund of the state. This section, in addition to my recommended appropriations for public transit assistance for fiscal year 1992, would result in duplicate funding for the first quarter of fiscal year 1992.

I am unable to approve the item designated as Section 1101, unnumbered paragraph four, in its entirety. This language is overly restrictive as it relates to the cash balances being transferred, although it is very appropriate for fiscal year 1992 and succeeding years. This item would also reduce our efforts to move toward generally accepted accounting principles.

I am unable to approve the item designated as Section 1201, in its entirety. This section has the desirable intent of making the base budget of subsequent fiscal years reflect savings from the prior fiscal year. However, the construction of the section is flawed. I am willing to work with the General Assembly to develop language that better accomplishes the intent.

I am unable to approve the items designated as Section 1208, Section 1209, Section 1210, and Section 1211, in their entirety. These sections would require additional expenditures by the general fund in fiscal year 1992 for the administration of the fish and game protection fund.

I am unable to approve the item designated as Section 1240, in its entirety. This section would allow Insurance Division examiners to be paid directly by the insurance company being examined. This would have the undesirable result of circumventing internal control functions within state government and would also allow regulatory entity employees to receive direct reimbursement from companies being audited.

The Honorable Bob Arnould  
February 15, 1991  
Page 3

For the above reasons, I hereby respectfully disapprove these items in accordance with Amendment IV of the Amendments of 1968 to the Constitution of the State of Iowa. All other items in House File 173 are hereby approved as of this date.

Sincerely,

Terry E. Branstad  
Governor
