1 Section 1. NEW SECTION. 514C.7 PROHIBITION ON
2 RESTRICTING COVERAGE IN CERTAIN INSTANCES INVOLVING A
3 DIAGNOSIS OF A FIBROCYSTIC CONDITION.

4 Notwithstanding the uniformity of treatment requirements of
5 section 514C.6, a third-party payor as defined in that section
6 shall not deny or fail to renew, or include an exception to or
7 exclusion of benefits in, a policy or contract of individual
8 or group accident and sickness insurance solely based upon an
9 insured being diagnosed as having a fibrocystic condition.
10 However, this section does not apply if the fibrocystic
11 condition is diagnosed by a breast biopsy that demonstrates an
12 increased disposition to the development of breast cancer.

13 Sec. 2. APPLICABILITY. This Act applies to policies,
14 contracts, or plans delivered or issued for delivery on or
15 after July 1, 1992, and to existing policies, contracts, or
16 plans on their next anniversary or renewal date, or upon
17 expiration of the applicable collective bargaining contract,
18 if any, whichever is later.

19 EXPLANATION

20 This bill prohibits the issuance or renewal of a policy or
21 contract of individual or group accident and sickness
22 insurance if a policy coverage provision, including an
23 exception to or exclusion of benefits, is solely based upon an
24 insured being diagnosed as having a fibrocystic condition.
25 This prohibition does not apply where the condition is
26 diagnosed as the result of a breast biopsy which demonstrates
27 an increased disposition to the development of breast cancer.
