HF 2185

1 Section 1. Section 607A.22, Code 1991, is amended to read  
2 as follows:

4 The appointive jury commission or the jury manager shall  
5 use ~~at~~ both of the following source lists in preparing grand  
6 and petit jury lists:

7 1. The current voter registration list.

8 2. The current motor vehicle operators list.

9 ~~3. Any~~ The appointive jury commission or the jury manager  
10 may use any other current comprehensive list of persons  
11 residing in the county, including but not limited to the lists  
12 of public utility customers, which the appointive jury  
13 commission or jury manager determines are useable for the  
14 purpose of a juror source list.

15 The applicable state and local government officials shall  
16 furnish, upon request, the appointive jury commission or jury  
17 manager with copies of lists necessary for the formulation of  
18 source lists at no cost to the commission, manager, or county.

19 The jury manager or jury commission may request a  
20 consolidated source list. A consolidated source list contains  
21 all the names and addresses found in either the voter  
22 registration list or the motor vehicle operators list, but  
23 does not duplicate an individual's name within the  
24 consolidated list. State officials shall cooperate with one  
25 another to prepare consolidated lists. The jury manager or  
26 jury commission may further request that only a randomly  
27 chosen portion of the consolidated list be prepared which may  
28 consist of either a certain number of names or a certain  
29 percentage of all the names in the consolidated list, as  
30 specified by the jury manager or jury commission.

#### EXPLANATION

32 The bill eliminates the requirement that another source  
33 list be used in addition to the voter registration list and  
34 the motor vehicle operators list in selecting grand and petit  
35 jury lists, and provides that another court list, including

1 but not limited to the lists of public utility customers, may  
2 be used.
