2 The board of educational examiners shall review the
3 standards for teacher's certificates adopted by the national
4 board for professional teaching standards, a nonprofit
5 corporation created as a result of recommendations of the task
6 force on teaching as a profession of the Carnegie forum on
7 education and the economy. In those cases in which the
8 standards required by the national board for an Iowa
9 endorsement or license meet or exceed the requirements
10 contained in rules adopted under this chapter for that

12 shall issue endorsements or licenses to holders of
13 certificates issued by the national board who request the
14 endorsement or license.

15 EXPLANATION

16 This section reenacts a provision that existed under the
17 prior board of educational examiners' provisions, that relates
18 to recognition of national board standards as sufficient basis
19 for issuance of an Iowa license or endorsement when the
20 current board of educational examiners finds that the national
21 board standards meet or exceed Iowa's requirements.
