27 1. Except for section 7 of this Act, if the funds received  
28 from the federal government for the block grants specified in  
29 this Act are less than the amounts appropriated, the funds  
30 actually received shall be prorated by the governor for the  
31 various programs, other than for the rape prevention program  
32 under section 3, subsection 3 of this Act, for which each  
33 block grant is available according to the percentages that  
34 each program is to receive as specified in this Act. However,  
35 if the governor determines that the funds allocated by the

1 percentages will not be sufficient to effect the purposes of a  
2 particular program, or if the appropriation is not allocated  
3 by percentage, the governor may allocate the funds in a manner  
4 which will effect to the greatest extent possible the purposes  
5 of the various programs for which the block grants are  
6 available.

7 2. Before the governor implements the actions provided for  
8 in subsection 1, the following procedures shall be taken:

9 a. The chairpersons and ranking members of the senate and  
10 house standing committees on appropriations, the appropriate  
11 chairpersons and ranking members of subcommittees of those  
12 committees, and the director of the legislative fiscal bureau  
13 shall be notified of the proposed action.

14 b. The notice shall include the proposed allocations, and  
15 information on the reasons why particular percentages or  
16 amounts of funds are allocated to the individual programs, the  
17 departments and programs affected, and other information  
18 deemed useful. Chairpersons notified shall be allowed at  
19 least two weeks to review and comment on the proposed action  
20 before the action is taken.

21 Sec. 17. PROCEDURE FOR INCREASED FEDERAL FUNDS.

22 1. If funds received from the federal government in the  
23 form of block grants exceed the amounts appropriated in  
24 sections 1, 2, 3, 4, 7, and 9 of this Act, the excess shall be  
25 prorated to the appropriate programs according to the  
26 percentages specified in those sections, except additional  
27 funds shall not be prorated for administrative expenses.

28 2. If funds received from the federal government from

31 the excess shall be allocated to the low-income residential  
32 weatherization program.

7 resulting from the federal government consolidating former  
8 categorical grants into block grants, or which expand block  
9 grants included in Pub. L. No. 97-35, to include additional  
10 programs formerly funded by categorical grants, which are not  
11 otherwise appropriated by the general assembly, are  
12 appropriated for the programs formerly receiving the  
13 categorical grants, subject to the conditions of this section.  
14 The governor shall, whenever possible, allocate from the block  
15 grant to each program in the same proportion as the amount of  
16 federal funds received by the program during the 1991 federal  
17 fiscal year as modified by the 1991 Session of the Seventy-  
18 fourth Iowa General Assembly for the state fiscal year  
19 beginning July 1, 1991, compared to the total federal funds  
20 received in the federal fiscal year by all programs  
21 consolidated into the block grant. However, if one agency did  
22 not have categorical funds appropriated for the federal fiscal  
23 year beginning October 1, 1990, but had anticipated applying  
24 for funds during the federal fiscal year beginning October 1,  
25 1991, the governor may allocate the funds in order to provide  
26 funding.

27     If the amount received in the form of a consolidated or  
28 expanded block grant is less than the total amount of federal  
29 funds received for the programs in the form of categorical  
30 grants for the 1991 federal fiscal year, state funds  
31 appropriated to the program by the general assembly to match  
32 the federal funds shall be reduced by the same proportion of  
33 the reduction in federal funds for the program. State funds  
34 released by the reduction shall be deposited in a special fund  
35 in the state treasury and are available for appropriation by

1 the general assembly. The governor shall notify the  
2 chairpersons and ranking members of the senate and house  
3 standing committees on appropriations, the appropriate  
4 chairpersons and ranking members of the subcommittees of those  
5 committees, and the legislative fiscal director before making  
6 the allocation of federal funds or any proportional reduction  
7 of state funds under this section. The notice shall state the  
8 amount of federal funds to be allocated to each program, the  
9 amount of federal funds received by the program during the  
10 1991 federal fiscal year, the amount by which state funds for  
11 the program will be reduced according to this section and the  
12 amount of state funds received by the program during the 1991  
13 fiscal year. Chairpersons notified shall be allowed at least  
14 two weeks to review and comment on the proposed action before  
15 the action is taken.

16 If the amount received in the form of a consolidated or  
17 expanded block grant is more than the total amount of federal  
18 funds received for the programs in the form of categorical  
19 grants for the 1991 federal fiscal year, the excess funds  
20 shall be deposited in the special fund created in section 8.11  
21 and are subject to the provisions of that section.

10 otherwise appropriated by the general assembly, are  
11 appropriated for the programs formerly receiving the  
12 categorical grants, subject to the conditions of this section.  
13 The governor shall, whenever possible, allocate from the block  
14 grant to each program in the same proportion as the amount of  
15 federal funds received by the program during the 1991 federal  
16 fiscal year as modified by the 1991 Session of the Seventy-  
17 fourth Iowa General Assembly for the state fiscal year  
18 beginning July 1, 1991, compared to the total federal funds  
19 received in the federal fiscal year by all programs  
20 consolidated into the block grant. However, if one agency did

30 appropriated to the program by the general assembly to match  
31 the federal funds shall be reduced by the same proportion of  
32 the reduction in federal funds for the program. State funds  
33 released by the reduction shall be deposited in a special fund  
34 in the state treasury and are available for appropriation by  
35 the general assembly. The governor shall notify the

1 chairpersons and ranking members of the senate and house  
2 standing committees on appropriations, the appropriate  
3 chairpersons and ranking members of the subcommittees of those  
4 committees, and the legislative fiscal director before making  
5 the allocation of federal funds or any proportional reduction  
6 of state funds under this section. The notice shall state the  
7 amount of federal funds to be allocated to each program, the  
8 amount of federal funds received by the program during the  
9 1991 federal fiscal year, the amount by which state funds for  
10 the program will be reduced according to this section and the  
11 amount of state funds received by the program during the 1991  
12 fiscal year. Chairpersons notified shall be allowed at least  
13 two weeks to review and comment on the proposed action before  
14 the action is taken.

15 If the amount received in the form of a consolidated or  
16 expanded block grant is more than the total amount of federal  
17 funds received for the programs in the form of categorical

19 under section 3, subsection 3 of this Act, for which each  
20 block grant is available according to the percentages that  
21 each program is to receive as specified in this Act. However,  
22 if the governor determines that the funds allocated by the  
23 percentages will not be sufficient to effect the purposes of a  
24 particular program, or if the appropriation is not allocated  
25 by percentage, the governor may allocate the funds in a manner  
26 which will effect to the greatest extent possible the purposes

29 2. Before the governor implements the actions provided for

24 program.

25     Sec. 18. PROCEDURE FOR CONSOLIDATED, CATEGORICAL, OR  
26 EXPANDED FEDERAL BLOCK GRANTS. Notwithstanding section 8.41,

30 categorical grants into block grants, or which expand block  
31 grants included in Pub. L. No. 97-35, to include additional  
32 programs formerly funded by categorical grants, which are not  
33 otherwise appropriated by the general assembly, are  
34 appropriated for the programs formerly receiving the  
35 categorical grants, subject to the conditions of this section.

1 The governor shall, whenever possible, allocate from the block  
2 grant to each program in the same proportion as the amount of  
3 federal funds received by the program during the 1991 federal  
4 fiscal year as modified by the 1991 Session of the Seventy-  
5 fourth Iowa General Assembly for the state fiscal year  
6 beginning July 1, 1991, compared to the total federal funds  
7 received in the federal fiscal year by all programs  
8 consolidated into the block grant. However, if one agency did  
9 not have categorical funds appropriated for the federal fiscal  
10 year beginning October 1, 1990, but had anticipated applying  
11 for funds during the federal fiscal year beginning October 1,  
12 1991, the governor may allocate the funds in order to provide  
13 funding.

14 If the amount received in the form of a consolidated or  
15 expanded block grant is less than the total amount of federal  
16 funds received for the programs in the form of categorical  
17 grants for the 1991 federal fiscal year, state funds  
18 appropriated to the program by the general assembly to match  
19 the federal funds shall be reduced by the same proportion of  
20 the reduction in federal funds for the program. State funds  
21 released by the reduction shall be deposited in a special fund  
22 in the state treasury and are available for appropriation by  
23 the general assembly. The governor shall notify the  
24 chairpersons and ranking members of the senate and house  
25 standing committees on appropriations, the appropriate  
26 chairpersons and ranking members of the subcommittees of those  
27 committees, and the legislative fiscal director before making  
28 the allocation of federal funds or any proportional reduction  
29 of state funds under this section. The notice shall state the  
30 amount of federal funds to be allocated to each program, the  
31 amount of federal funds received by the program during the  
32 1991 federal fiscal year, the amount by which state funds for  
33 the program will be reduced according to this section and the  
34 amount of state funds received by the program during the 1991  
35 fiscal year. Chairpersons notified shall be allowed at least

1 two weeks to review and comment on the proposed action before  
2 the action is taken.

3 If the amount received in the form of a consolidated or  
4 expanded block grant is more than the total amount of federal  
5 funds received for the programs in the form of categorical  
6 grants for the 1991 federal fiscal year, the excess funds  
7 shall be deposited in the special fund created in section 8.41  
8 and are subject to the provisions of that section.

9 Sec. 19. The department of human services may adopt admin-  
10 istrative rules under section 17A.4, subsection 2, and section  
11 17A.5, subsection 2, paragraph "b", to implement sections 14  
12 and 15 of this Act. Rules adopted pursuant to section 14 of  
13 this Act shall become effective upon filing.

14 Sec. 20. Sections 14, 15, and 19 of this Act, being deemed  
15 of immediate importance, are effective upon enactment.

However, if the governor determines that the funds allocated by the percentages will not be sufficient to effect the purposes of a

particular program, or if the appropriation is not allocated by percentage, the governor may allocate the funds in a manner which will effect to the greatest extent possible the purposes of the various programs for which the block grants are available.

2. Before the governor implements the actions provided for in subsection 1, the following procedures shall be taken:

However, if one agency did not have categorical funds appropriated for the federal fiscal year beginning October 1, 1990, but had anticipated applying for funds during the federal fiscal year beginning October 1, 1991, the governor may allocate the funds in order to provide funding.

If the amount received in the form of a consolidated or expanded block grant is less than the total amount of federal funds received for the programs in the form of categorical grants for the 1991 federal fiscal year, state funds appropriated to the program by the general assembly to match the federal funds shall be reduced by the same proportion of the reduction in federal funds for the program. State funds released by the reduction shall be deposited in a special fund in the state treasury and are available for appropriation by the general assembly. The governor shall notify the chairpersons and ranking members of the senate and house

standing committees on appropriations, the appropriate chairpersons and ranking members of the subcommittees of those committees, and the legislative fiscal director, before making the allocation of federal funds or any proportional reduction of state funds under this section. The notice shall state the amount of federal funds to be allocated to each program, the amount of federal funds received by the program during the 1991 federal fiscal year, the amount by which state funds for the program will be reduced according to this section and the amount of state funds received by the program during the 1991 fiscal year. Chairpersons notified shall be allowed at least two weeks to review and comment on the proposed action before the action is taken.

If the amount received in the form of a consolidated or expanded block grant is more than the total amount of federal funds received for the programs in the form of categorical grants for the 1991 federal fiscal year, the excess funds shall be deposited in the special fund created in section 5.4) and are subject to the provisions of that section.
