1 Section 1. Section 285.1, subsection 1, paragraph b, Code
2 Supplement 1993, is amended to read as follows:

3 b. High school pupils shall be entitled to transportation
4 only if they live more than three miles from the school
5 designated for attendance and only if they provide the
6 district with reasonable notice of their intention to use the
7 district's school bus service.

8 Sec. 2. Section 285.1, subsection 1, unnumbered paragraph
9 4, Code Supplement 1993, is amended by striking the unnumbered
10 paragraph.

11 EXPLANATION

12 Current law requires school districts to provide eligible
13 pupils with school bus transportation. This bill requires
14 high school pupils who are eligible for school bus
15 transportation to give the district reasonable notice of their
16 intention to use the district's school bus service. The bill
17 also strikes Code language that relieved school boards from
18 being required to provide school bus transportation before
19 July 1, 1978.
