11 This bill makes appropriations from the general fund and

13 1993, and ending June 30, 1994, to the department of economic  
14 development, the Wallace technology transfer foundation,  
15 INTERNET, university of Iowa, and Iowa State university,  
16 subject to certain restrictions. Also, the bill establishes  
17 the economic development deaf interpreters revolving fund in  
18 the department with a one-time \$50,000 transfer from the rural  
19 community 2000 program revolving fund to fund eight  
20 interpreters for deaf persons. The department is directed to  
21 report on the use of the interpreters.

22 The bill eliminates the seed capital fund in the Wallace  
23 technology transfer foundation and establishes the Iowa  
24 technology assistance program account in the Iowa product  
25 development corporation fund. In addition, the bill repeals  
26 chapter 15B, regarding INTERNET, on July 1, 1994. INTERNET,  
27 which is a nonprofit corporation organized under chapter 504D,  
28 could then continue in its nonprofit corporate form on private  
29 funding, or dissolve.
