**REPRINTED**

1 Section 1. Section 321.457, subsection 2, paragraph f,  
2 Code 1995, is amended to read as follows:

3 f. A motor vehicle or combination of vehicles may be  
4 operated upon the highways of this state, irrespective of the  
5 length and weight limitations imposed by the laws of this  
6 state, if the motor vehicle or combination of vehicles is  
7 operated within the corporate limits of a city abutting a  
8 border of this state and such operations have been approved by  
9 ordinance of the city council and if the length and weight of  
10 the motor vehicle or combination of vehicles is in conformity  
11 with the laws relating to length and weight of the abutting  
12 state ~~on July 17, 1974~~. If a city council has authorized such  
13 operation upon highways within the corporate limits, then the  
14 limit of travel for such motor vehicles or combination of  
15 vehicles within the state is extended to the commercial zones  
16 as described by federal regulations concerning interstate  
17 commerce, ~~49 code of federal regulations, paragraphs 1048.107~~  
18 ~~1048.387, and C.F.R. § 1048.101 as they exist on July 17, 1974.~~

19 Sec. 2. IMMEDIATE EFFECTIVE DATE. This Act, being deemed  
20 of immediate importance, is effective upon enactment.

21 EXPLANATION

22 This bill provides that a motor vehicle or combination of  
23 vehicles may be operated within the corporate limits of a city  
24 abutting a border of this state and extends the limit of  
25 travel to the commercial zone of the city as prescribed in  
26 federal regulations, even though the length and weight of the  
27 vehicle violate the law of this state if the laws of the  
28 abutting state allow for the operation of the vehicle in the  
29 other state.

30 The change in this section is precipitated by a change in  
31 federal law contained in Pub. L. No. 104-59, and signed by the  
32 president on November 28, 1995, which provides an exemption  
33 from existing length and weight limitations for vehicles using  
34 interstate route 29 between Sioux City, Iowa, and the border  
35 between Iowa and South Dakota and vehicles using interstate

1 route 129 between Sioux City, Iowa, and the border between  
2 Iowa and Nebraska. This bill is effective upon enactment.
