1 Section 1. NEW SECTION. 455B.205 REGULAR INSPECTIONS.

2 The department shall inspect the site of an animal feeding  
3 operation required to obtain a construction permit for an  
4 animal feeding operation structure as provided in section  
5 455B.173. The department shall conduct an inspection of each  
6 animal feeding operation at least twice each year. The  
7 department shall inspect each animal feeding operation  
8 structure located on the site and the land where manure  
9 originating from the animal feeding operation is applied  
10 pursuant to a manure management plan submitted by the animal  
11 feeding operation, pursuant to section 455B.203.

12 EXPLANATION

13 This bill requires the department of natural resources to  
14 inspect the site of an animal feeding operation required to  
15 obtain a construction permit for an animal feeding operation  
16 structure at least twice each year. The bill provides that  
17 the department must inspect each animal feeding operation  
18 structure located on the site and the land where manure  
19 originating from the animal feeding operation is applied  
20 pursuant to the operation's manure management plan.
