HF 2233

1 Section 1. NEW SECTION. 137.6A CERTAIN SEWAGE DISPOSAL
2 SYSTEMS.

3 Each local board of health has authority over and shall
4 adopt rules relating to the regulation and maintenance of
5 private sewage disposal systems, as defined by section
6 455B.171, and semi-public sewage disposal systems, as defined
7 by section 455B.171, located within the local board's
8 jurisdiction.

9 Sec. 2. Section 137.7, subsection 4, Code 1995, is amended
10 to read as follows:

11 4. May issue licenses and permits and charge reasonable
12 fees therefor in relation to the collection or disposal of
13 solid waste and the construction or operation of private water
14 supplies ~~or-sewage-disposal-facilities~~.

15 Sec. 3. Section 455B.172, subsections 2, 3, and 4, Code
16 1995, are amended to read as follows:

17 2. The department shall carry out the responsibilities of
18 the state related to private water supplies ~~and-private-sewage~~
19 ~~disposal-systems~~ for the protection of the environment and the
20 public health and safety of the citizens of the state.

21 3. Each county board of health shall adopt standards for
22 private water supplies ~~and-private-sewage-disposal-facilities~~.
23 These standards shall be at least as stringent but consistent
24 with the standards adopted by the commission. If a county
25 board of health has not adopted standards for private water
26 supplies ~~and-private-sewage-disposal-facilities~~, the standards
27 adopted by the commission shall be applied and enforced within
28 the county by the county board of health.

29 4. Each county board of health shall regulate the private
30 water supply ~~and-private-sewage-disposal-facilities~~ located
31 within the county board's jurisdiction, including the
32 enforcement of standards adopted pursuant to this section.

33 Sec. 4. Section 455B.172, subsection 5, unnumbered
34 paragraphs 1 and 2, Code 1995, are amended to read as follows:

35 The department shall maintain jurisdiction over and

1 regulate the direct discharge to a water of the state. The
2 department shall retain concurrent authority to enforce state
3 standards for private water supply and private sewage disposal
4 facilities within a county, and exercise departmental
5 authority if the county board of health fails to fulfill board
6 responsibilities pursuant to this section.

7 ~~The department shall by rule adopt standards for the~~
8 ~~commercial cleaning of private sewage disposal facilities,~~
9 ~~including but not limited to septic tanks and pits used to~~
10 ~~collect waste in livestock confinement structures, and for the~~
11 ~~disposal of waste from the facilities.---The standards shall~~
12 ~~not be in conflict with the state building code.---A person~~
13 ~~shall not commercially clean such facilities or dispose of~~
14 ~~waste from such facilities unless the person has been issued a~~
15 ~~license by the department.---The department shall be~~
16 ~~exclusively responsible for adopting the standards and issuing~~
17 ~~licenses.---However, county boards of health shall enforce the~~
18 ~~standards and licensing requirements established by the~~
19 ~~department.---Application for the license shall be made in the~~
20 ~~manner provided by the department.---Licenses expire one year~~
21 ~~from the date of issue unless revoked and may be renewed in~~
22 ~~the manner provided by the department.---The license or license~~
23 ~~renewal fee is twenty five dollars.---A person violating this~~
24 ~~section or the rules adopted pursuant to this section, is~~
25 ~~subject to a civil penalty of not more than twenty five~~
26 ~~dollars.---Each day that a violation continues constitutes a~~
27 ~~separate offense.---However, the total civil penalty shall not~~
28 ~~exceed five hundred dollars per year.---The penalty shall be~~
29 ~~assessed for a violation occurring ten days following written~~
30 ~~notice of the violation delivered to the person by the~~
31 ~~department or a county board of health.---Moneys collected by~~
32 ~~the department or a county board of health from the imposition~~
33 ~~of civil penalties shall be deposited in the general fund of~~
34 ~~the state.~~

35 Sec. 5. Section 455B.172, Code 1995, is amended by adding

1 the following new subsection:

2 NEW SUBSECTION. 4A. This state, its departments,
3 agencies, boards, bureaus, and commissions shall not possess
4 regulatory authority over private sewage disposal systems and
5 semi-public sewage disposal systems. Such regulatory
6 authority rests with a local board of health as provided in
7 section 137.6A.

8 Sec. 6. Section 455B.183, subsection 3, unnumbered
9 paragraph 1, Code 1995, is amended to read as follows:

10 The operation of any waste disposal system or public water
11 supply system or any part of or extension or addition to the
12 system. This provision does not apply to a pretreatment
13 system the effluent of which is to be discharged directly to
14 another disposal system for final treatment and disposal, a
15 semi-public sewage disposal system, ~~the-construction-of-which~~
16 ~~has-been-approved-by-the-department-and-which-does-not~~
17 ~~discharge-into-water-of-the-state~~ or a private sewage disposal
18 system ~~which-does-not-discharge-into-a-water-of-the-state~~.
19 The exemption of this paragraph shall not apply to any
20 industrial waste discharges.

21 EXPLANATION

22 Currently, section 455B.172, subsections 1 through 5, grant
23 the authority for regulation of private sewage disposal
24 systems to each county board of health and require that the
25 standards that each county adopts must be at least as
26 stringent as the standards adopted by the environmental
27 protection commission. This bill authorizes a local board of
28 health to set standards by rule relating to the regulation of
29 private sewage disposal systems and semi-public sewage
30 disposal systems located within the county board's
31 jurisdiction. The bill provides that the state of Iowa and
32 its agencies shall not possess regulatory authority over
33 private sewage disposal systems and semi-public sewage
34 disposal systems.

35 A "private sewage disposal facility" is defined as a system

1 which provides for the treatment or disposal of domestic
2 sewage from four or fewer dwelling units or the equivalent of
3 16 individuals on a continuing basis.

4 A "semi-public sewage disposal system" means a system for
5 the treatment or disposal of domestic sewage which is not a
6 private sewage disposal system and which is not owned by a
7 city, a sanitary sewer district, or a designated and approved
8 management agency under section 1288 of the federal Water
9 Pollution Control Act, 33 U.S.C. § 1288.

10 The bill includes other changes which eliminate existing
11 provisions relating to state regulation over private sewage
12 disposal facilities and semi-private sewage disposal systems.
13 Specifically, existing provisions pertaining to the commercial
14 cleaning of private sewage disposal facilities and the
15 licensing of cleaners of such facilities are eliminated.

16 This bill also eliminates the existing provision
17 prohibiting a local board of health from unreasonably
18 interfering with existing patterns of private professional
19 practice of licensed practitioners of the healing arts when a
20 local board of health issues licenses and permits and charges
21 reasonable fees thereof in relation to the construction or
22 operation of sewage disposal facilities.
