4 following:

5 "Sec. \_\_\_\_ . WELFARE REFORM BLOCK GRANT.

6 1. Notwithstanding contrary provisions of section  
7 8.41, as enacted in 1996 Iowa Acts, House File 2256,  
8 the provisions of this section shall apply if all of  
9 the following conditions are met:

10 a. The provisions of this section shall apply only  
11 to programs, funding, and policies of the family  
12 investment program and the job opportunities and basic  
13 skills (JOBS) program.

14 b. Federal law creating a welfare reform block  
15 grant is enacted which provides for optional early  
16 implementation dates which precede the convening of  
17 the Seventy-seventh General Assembly.

18 c. The department of human services determines  
19 early implementation of the federal block grant  
20 provisions is advantageous to Iowa. All of the  
21 following requirements shall apply in order for the  
22 department to make such a determination:

23 (1) Early implementation will result in additional  
24 federal funding for the family investment program or  
25 the JOBS program.

26 (2) The early implementation of the block grant  
27 provisions will not disadvantage any applicant or  
28 recipient of assistance under the family investment  
29 program by resulting in reduced benefits, terminated  
30 eligibility, or denied eligibility to the extent those  
31 conditions would not have resulted under Iowa's  
32 welfare reform provisions in effect prior to the early  
33 implementation of the federal block grant provisions.  
34 The department may satisfy this requirement by using  
35 one hundred percent state funds to offset any  
36 disadvantage to an applicant or recipient for services  
37 eligible for federal financial participation prior to  
38 the early implementation of the federal block grant  
39 provisions if the increase in state funds used does  
40 not exceed any additional federal funding received  
41 under the block grant.

42 (3) The department can reasonably make computer  
43 system and procedural changes necessary to implement  
44 the provisions within any federally mandated time  
45 frames as necessary to qualify for early  
46 implementation of the federal block grant provisions.

47 (4) The state will not incur any excessive  
48 financial risks with early implementation of the  
49 federal block grant provisions.

50 2. If the federal legislation described is

S-5809

S-5809

1 enacted, the department shall seek input from the  
2 individuals of the work group which considered the  
3 state human investment policy or a successor  
4 interagency task force which makes recommendations to  
5 the department concerning the family investment  
6 program.

7 3. If all of the conditions of subsections 1 and 2  
8 are met, the department may take steps to notify the  
9 United States department of health and human services,  
10 or some other such entity as designated in the federal  
11 legislation, that the state of Iowa is opting for  
12 early implementation of the federal welfare reform  
13 block grant provisions. If the department takes steps  
14 to elect early implementation of the federal block  
15 grant provisions, the department shall notify the  
16 fiscal committee of the legislative council, the  
17 legislative fiscal bureau, the chairpersons and  
18 ranking members of the senate and house committees on  
19 human resources, and the chairpersons and ranking  
20 members of the senate and house appropriations  
21 subcommittee on human services of all of the  
22 following:

23 a. The findings that the conditions in subsection  
24 1 are met.

25 b. The notice to the federal government of  
26 electing early implementation of the block grant  
27 provisions.

28 c. Fiscal impacts of electing early implementation  
29 of the block grant provisions.

30 4. If allowed by federal law, the department may  
31 discontinue the provisions for control groups as  
32 required by the federal government and apply welfare  
33 reform policies to all applicants and recipients of  
34 assistance in the family investment program equally.  
35 The department shall make notifications similar to  
36 those required in subsection 3 of any decision to  
37 continue or discontinue control groups."

25 Funds appropriated in this section are the funds  
26 anticipated to be received from the federal government under  
27 42 U.S.C., chapter 105, subchapter II-B, which provides for  
28 the child care and development block grant. The department  
29 shall expend the funds appropriated in this section as  
30 provided in the federal law making the funds available and in  
31 conformance with chapter 17A.

32 Sec. 14. PROCEDURE FOR REDUCED FEDERAL FUNDS.

33 1. If the funds received from the federal government for  
34 the block grants specified in this Act are less than the  
35 amounts appropriated, the funds actually received shall be

1 prorated by the governor for the various programs, other than  
2 for the rape prevention program under section 4, subsection 3  
3 of this Act, for which each block grant is available according  
4 to the percentages that each program is to receive as  
5 specified in this Act. However, if the governor determines  
6 that the funds allocated by the percentages will not be  
7 sufficient to effect the purposes of a particular program, or  
8 if the appropriation is not allocated by percentage, the  
9 governor may allocate the funds in a manner which will effect  
10 to the greatest extent possible the purposes of the various  
11 programs for which the block grants are available.

12 2. Before the governor implements the actions provided for  
13 in subsection 1, the following procedures shall be taken:

14 a. The chairpersons and ranking members of the senate and  
15 house standing committees on appropriations, the appropriate  
16 chairpersons and ranking members of subcommittees of those  
17 committees, the director of the legislative service bureau,  
18 and the director of the legislative fiscal bureau shall be  
19 notified of the proposed action.

20 b. The notice shall include the proposed allocations, and  
21 information on the reasons why particular percentages or  
22 amounts of funds are allocated to the individual programs, the  
23 departments and programs affected, and other information  
24 deemed useful. Chairpersons notified shall be allowed at  
25 least two weeks to review and comment on the proposed action  
26 before the action is taken.

27 Sec. 15. PROCEDURE FOR INCREASED FEDERAL FUNDS.

28 1. If funds received from the federal government in the  
29 form of block grants exceed the amounts appropriated in  
30 sections 1, 2, 3, 4, 5, 8, 10, and 13 of this Act, the excess  
31 shall be prorated to the appropriate programs according to the  
32 percentages specified in those sections, except additional  
33 funds shall not be prorated for administrative expenses.

34 2. If funds received from the federal government from  
35 block grants exceed the amount appropriated in section 9 of

1 this Act, 15 percent of the excess shall be allocated to the  
2 low-income residential weatherization program.

3 3. If funds received from the federal government from  
4 community services block grants exceed the amount appropriated  
5 in section 7 of this Act, 100 percent of the excess is  
6 allocated to the community services block grant program.

7 Sec. 16. PROCEDURE FOR EXPENDITURE OF ADDITIONAL FEDERAL  
8 FUNDS. If other federal grants, receipts, and funds and other  
9 nonstate grants, receipts, and funds become available or are  
10 awarded which are not available or awarded during the period  
11 in which the general assembly is in session, but which require  
12 expenditure by the applicable department or agency prior to  
13 March 15 of the fiscal year beginning July 1, 1996, and ending  
14 June 30, 1997, these grants, receipts, and funds are

Sec. 55. CONTINGENT PROVISION. To the extent that section 8.41, new subsection 3, if enacted by the 1996 General Assembly, conflicts with the provisions of sections 14 and 15 of this Act, the provisions in section 8.41, subsection 3, shall prevail over the provisions of this Act.

Sec. 56. LIHEAP FUNDING -- DISCONNECTION PROHIBITION. It is the intent of the general assembly that if the governor determines federal funds are insufficient to adequately provide for certification of eligibility for the low-income home energy assistance program by the community action agencies, the Iowa utilities board shall issue an order prohibiting disconnection of service from November 1 through April 1 by a regulated public utility furnishing gas or electricity to households whose income falls at or below one hundred fifty percent of the federal poverty level as established by the United States office of management and budget. The board shall promptly adopt rules in accordance with section 17A.4, subsection 2, and section 17A.5, subsection 2, paragraph "b", to implement this requirement. The energy assistance bureau of the department of human rights, in consultation with the community action agencies, shall certify to the utilities, households that are eligible for moratorium protection utilizing the agency's existing electronic database.

to the arts and to cultural affairs and the anticipated effects of the federal actions upon the department of cultural affairs and the department of cultural affairs' programs. Sec. 58. WELFARE REFORM BLOCK GRANT.

1. Notwithstanding contrary provisions of section 8.41, subsection 3, as enacted in 1996 Iowa Acts, House File 2256, the provisions of this section shall apply if all of the following conditions are met:

a. The provisions of this section shall apply only to programs, funding, and policies of the family investment program and the job opportunities and basic skills (JOBS) program.

b. Federal law creating a welfare reform block grant is enacted which provides for optional early implementation dates which precede the convening of the Seventy-seventh General Assembly.

c. The department of human services determines early implementation of the federal block grant provisions is advantageous to Iowa. All of the following requirements shall apply in order for the department to make such a determination:

(1) Early implementation will result in additional federal funding for the family investment program or the JOBS program.

(2) The early implementation of the block grant provisions will not disadvantage any applicant or recipient of assistance under the family investment program by resulting in reduced benefits, terminated eligibility, or denied eligibility to the extent those conditions would not have resulted under Iowa's welfare reform provisions in effect prior to the early

implementation of the federal block grant provisions. The department may satisfy this requirement by using one hundred percent state funds to offset any disadvantage to an applicant or recipient for services eligible for federal financial participation prior to the early implementation of the federal block grant provisions if the increase in state funds used does not exceed any additional federal funding received under the block grant.

(3) The department can reasonably make computer system and procedural changes necessary to implement the provisions within any federally mandated time frames as necessary to qualify for early implementation of the federal block grant provisions.

(4) The state will not incur any excessive financial risks with early implementation of the federal block grant provisions.

2. If the federal legislation described is enacted, the department shall seek input from the individuals of the work group which considered the state human investment policy or a successor interagency task force which makes recommendations to the department concerning the family investment program.

3. If all of the conditions of subsections 1 and 2 are met, the department may take steps to notify the United States department of health and human services, or some other such entity as designated in the federal legislation, that the state of Iowa is opting for early implementation of the federal welfare reform block grant provisions. If the department takes steps to elect early implementation of the federal block grant provisions, the department shall notify the fiscal committee of the legislative council, the legislative fiscal bureau, the chairpersons and ranking members of the senate and house committees on human resources, and the chairpersons and ranking members of the senate and house appropriations subcommittee on human services of all of the following:

a. The findings that the conditions in subsection 1 are met.

b. The notice to the federal government of electing early implementation of the block grant provisions.

c. Fiscal impacts of electing early implementation of the block grant provisions.

4. If allowed by federal law, the department may discontinue the provisions for control groups as required by the federal government and apply welfare reform policies to all applicants and recipients of assistance in the family investment program equally. The department shall make notifications similar to those required in subsection 3 of any decision to continue or discontinue control groups.

5. The department of human services may adopt administrative rules under section 17A.4, subsection 2, and section 17A.5, subsection 2, paragraph "b", to implement the provisions of this section and the rules shall become effective immediately upon filing, unless the effective date is delayed by the administrative rules review committee, notwithstanding section 17A.4, subsection 5, and section 17A.8, subsection 9, or a later effective date is specified in the rules. Any rules adopted in accordance with this subsection shall not take effect before the rules are reviewed by the administrative rules review committee. Any rules adopted in accordance with the provisions of this subsection shall also be published as notice of intended action as provided in section 17A.4.

Sec. 59. FEDERAL FUNDING STUDY. The legislative council is requested to provide for a review during the 1996 legislative interim of issues associated with federal funding and federal block grants. Issues considered may include but are not limited to all of the following:

1. Methods for the general assembly to provide greater oversight.
2. Methods for appropriations subcommittees to effectively incorporate planning for federal funding and grants into budget deliberations.
3. An analysis of the impact of federal funding and grants and their associated federal requirements upon the

effectiveness and efficiency of the state and local government agencies administering the federal funding and grants.

4. Methods for analysis of the cash flows associated with federal funding and grants, including variations between state and federal fiscal years, and the multiple year commitment of federal funding known as "forward funding."

5. Policy analysis tools for use in addressing new and revised federal block grants and federal funding.
