## A BILL FOR

pf/jw/5

S.F.

H.F. 281

1 Section 1. Section 80.9, subsection 2, paragraph d, Code
2 1995, is amended to read as follows:

To collect and classify, and keep at all times 3 d. 4 available, complete information useful for the detection of 5 crime, and the identification and apprehension of criminals. 6 Such information shall be available for all peace officers 7 within the state, under such regulations as the commissioner 8 may prescribe. The provisions of chapter 141 do not apply to 9 the entry of human immunodeficiency virus-related information 10 by criminal justice agencies, as defined in section 692.1, 11 into the Iowa criminal justice information system or the 12 national crime information center system. The provisions of 13 chapter 141 also do not apply to the transmission of the same 14 information from either or both information systems to 15 criminal justice agencies. The provisions of chapter 141 also 16 do not apply to the transmission of the same information from 17 either or both information systems to employees of state 18 correctional institutions subject to the jurisdiction of the 19 department of corrections, employees of secure facilities for 20 juveniles subject to the jurisdiction of the department of 21 human services, and employees of city and county jails, if 22 those employees have direct physical supervision over inmates 23 of those facilities or institutions. Human Except as provided 24 in paragraph "e", as enacted in this Act, human

25 immunodeficiency virus-related information shall not be 26 transmitted over the police radio broadcasting system under 27 chapter 693 or any other radio-based communications system. 28 An employee of an agency receiving human immunodeficiency 29 virus-related information under this section who communicates 30 the information to another employee who does not have direct 31 physical supervision over inmates, other than to a supervisor 32 of an employee who has direct physical supervision over 33 inmates for the purpose of conveying the information to such 34 an employee, or who communicates the information to any person 35 not employed by the agency or uses the information outside the

l agency is guilty of a class "D" felony. The commissioner 2 shall adopt rules regarding the transmission of human 3 immunodeficiency virus-related information including 4 provisions for maintaining confidentiality of the information. 5 The rules shall include a requirement that persons receiving 6 information from the Iowa criminal justice information system 7 or the national crime information center system receive 8 training regarding confidentiality standards applicable to the 9 information received from the system. The commissioner shall 10 develop and establish, in cooperation with the department of 11 corrections and the Iowa department of public health, training 12 programs and program criteria for persons receiving human 13 immunodeficiency virus-related information through the Iowa 14 criminal justice information system or the national crime 15 information center system.

16 Sec. 2. Section 80.9, subsection 2, Code 1995, is amended 17 by adding the following new paragraph after paragraph "d" and 18 relettering the subsequent paragraphs:

19 NEW PARAGRAPH. e. To develop a procedure for transmission 20 of information, over the police radio broadcasting system 21 under chapter 693 or any other radio-based communications 22 system, to a peace officer, a fire fighter, a basic emergency 23 medical care provider as defined in section 147.1, or an 24 advanced emergency medical care provider as defined in section 25 147A.1, who has direct contact with the public and who is 26 responding to an emergency situation, that a person being 27 sought or assisted is known to be infected with a communicable 28 disease. The information transmitted shall be provided in a 29 manner which does not identify the specific communicable 30 disease involved, but which cautions the recipient of the 31 transmission to take necessary precautions against transmis-32 sion of a communicable disease. A person who transmits 33 information in a manner which is not in compliance with the 34 procedures established under this paragraph, or who is not 35 authorized to transmit or receive a transmission under this

1 paragraph, is guilty of a class "D" felony. The provisions of 2 chapter 141 do not apply to human immunodeficiency virus-3 related information which is transmitted in compliance with 4 procedures established under this paragraph.

5 Sec. 3. Section 141.23, subsection 1, Code 1995, is 6 amended by adding the following new paragraph:

7 The person authorized to transmit the NEW PARAGRAPH. k. 8 information or the peace officer, fire fighter, basic 9 emergency medical care provider, or advanced emergency medical 10 care provider receiving the transmission pursuant to section 11 80.9, subsection 2, paragraph "e", as enacted in this Act. 12 EXPLANATION

13 This bill provides for the transmission of information over 14 a radio-based communications system that a person being sought 15 or assisted by a peace officer, a fire fighter, a basic 16 emergency care provider, or an advanced emergency medical care 17 provider, who is in direct contact with the public and who is 18 responding to an emergency situation, is infected with a 19 communicable disease. The bill requires the department of 20 public safety to develop procedures for the transmission of 21 this information in a manner which does not disclose the type 22 of communicable disease, but only cautions the recipient of 23 the information to take necessary precautions. The bill 24 establishes that a person who transmits the information in a 25 manner which does not comply with the procedures established 26 or who is not authorized to transmit or receive the 27 information is guilty of a class "D" felony. The bill also 28 provides for an exception to the confidentiality requirements 29 regarding the disclosure of human immunodeficiency virus-30 related testing information for the purposes of the bill. 31
