Section 1. DEPARTMENTAL STUDY CONCERNING INMATES WITH 1 2 MENTAL ILLNESS.

The department of corrections shall conduct a study 1. 3 4 regarding the number and treatment of inmates with mental 5 illness who are incarcerated in institutions under the control 6 of the department. The study shall include, but shall not be 7 limited to, all of the following:

8 a. The number of inmates currently incarcerated who have 9 been diagnosed as mentally ill, by the type of mental illness 10 and the facility and custody level in which the inmate is 11 housed.

The policies and procedures or plans for ensuring that 12 b. 13 mentally ill inmates are adequately identified and for 14 notification of institutional staff of the status and 15 condition of mentally ill inmates.

The policies and procedures or plans for ensuring that 16 с. 17 institutional and community-based corrections staff receive 18 periodic and ongoing training in the recognition of the onset 19 of symptoms of mental illness and the desirability of adding 20 such training to the curriculum currently provided in 21 department training facilities.

The desirability and feasibility of establishing 22 d. 23 additional segregated housing at the Iowa medical and 24 classification center, in conjunction with the provision of 25 mental health services under the management of an identified 26 mental health case manager, for the most severely disturbed 27 inmates.

28 2. The department shall submit its findings, together with 29 any recommendations, in a report to the general assembly by 30 December 30, 1996.
