EXPLANATION

~~2 3 During the 1994 legislative session, section 321.189,
2 4 subsection 7, was amended to require that all persons applying
2 5 for a driver's license valid for operation of a motorcycle
2 6 must take a motorcycle education course before the license
2 7 would be issued. Prior to the amendment, and still the law as
2 8 stated in section [321.189](#), Code 1993, only persons under the
2 9 age of 18 were and are required to complete a motorcycle~~

2 10 education course before the class M license is issued. The
2 11 effective date of the amendment to section 321.189, subsection
2 12 7, is May 1, 1995. This bill changes the effective date of
2 13 the amendments from May 1, 1995, to July 1, 1996, or at such
2 14 time as the department of education adopts rules and has
2 15 adequate training vehicles, instructors, curriculum materials,
2 16 training sites, and funding to implement motorcycle rider
2 17 education requirements. The bill also changes the persons who
2 18 are excepted from the requirements to those who had class M
2 19 licenses prior to the new effective date of the changes.
