BACKGROUND STATEMENT

8

SUBMITTED BY THE AGENCY

9 This bill is needed to provide a more readily accessible  
10 list of anabolic steroids included in schedule III of the Iowa  
11 uniform controlled substances Act.

12 The purpose of the bill is to provide enforcement agencies  
13 and the public with the means of identifying substances  
14 included in this section without requiring access to a  
15 separate publication, the Iowa administrative Code.

16 The intent of the bill is to amend chapter 124 to list the  
17 specific substances identified as anabolic steroids and  
18 included in schedule III.

19 The bill is intended to provide a simpler means of  
20 identifying anabolic steroids included in schedule III. The  
21 bill does not address any specific problems.
