S.F. 180

1 Section 1. Section 331.904, subsection 2, Code 1995, is
2 amended to read as follows:

3 2. Each deputy sheriff shall receive an annual base salary
4 as determined by the board sheriff. Upon certification by the
5 sheriff, if the salary of each deputy does not exceed the
6 limitations specified in this subsection, the board shall
7 ~~review, and may modify,~~ certify the annual base salary of each
8 deputy ~~before certifying it~~ to the auditor. The annual base
9 salary of a first or second deputy sheriff shall not exceed
10 eighty-five percent of the annual base salary of the sheriff.
11 The annual base salary of any other deputy sheriff shall not
12 exceed the annual base salary of the first or second deputy
13 sheriff except that in counties over two hundred fifty
14 thousand population, the annual base salary of any additional
15 deputies shall not exceed seventy-five percent of the annual
16 base salary of the sheriff. The board shall not certify a
17 deputy's salary which exceeds the limitations of this
18 subsection. As used in this subsection, "base salary" means
19 the basic compensation excluding overtime pay, longevity pay,
20 shift differential pay, or other supplemental pay and fringe
21 benefits.

22 EXPLANATION

23 This bill provides that the annual base salary of each
24 deputy sheriff shall be determined by the sheriff within the
25 limitations specified by law. Currently, the board of
26 supervisors determines the annual base salaries of the deputy
27 sheriffs. However, the annual salaries of deputy auditors,
28 treasurers, and recorders are determined by their principal
29 officers.
