S.F. 2369

1 Section 1. NEW SECTION. 260C.74 CHLOROFLUOROCARBON FREON
2 CERTIFICATION CLASS AND EXAMINATION.

3 Each community college, as defined in section 260C.2, shall
4 offer not less frequently than once every calendar month to
5 farmers, a certification class and examination relating to the
6 chlorofluorocarbon freon and the servicing of motor vehicle
7 air conditioners, the successful completion of which
8 authorizes a person to purchase the chlorofluorocarbon freon
9 under 42 U.S.C. § 7671h. A farmer, for the purposes of this
10 section, is a person who files schedule F as part of the
11 individual's annual form 1040 or 1041 filing with the United
12 States internal revenue service. The department and the Iowa
13 cooperative extension service at Iowa state university shall
14 assist the community colleges in administering the
15 certification class and examination.

16 EXPLANATION

17 Federal law at 42 U.S.C. § 7671h provides that a person may
18 purchase the chlorofluorocarbon freon only if the person has
19 successfully completed a certification class and examination
20 relating to the chlorofluorocarbon freon and the servicing of
21 motor vehicle air conditioners.

22 This bill provides that a certification class and
23 examination relating to the chlorofluorocarbon freon and the
24 servicing of motor vehicle air conditioners shall be offered
25 to farmers at each community college not less frequently than
26 once every calendar month. A farmer, for the purposes of the
27 bill, is a person who files schedule F, indicating income
28 derived from farming, as part of the individual's annual form
29 1040 or 1041 filing with the United States internal revenue
30 service. The bill provides that the department of agriculture
31 and land stewardship and the Iowa cooperative extension
32 service at Iowa state university shall assist the community
33 colleges in administering the certification class and
34 examination.
