#### SENATE FILE 2430 FISCAL NOTE

A fiscal note for Senate File 2430 is hereby submitted pursuant to Joint Rule 17. Data used in developing this fiscal note is available from the Legislative Fiscal Bureau to members of the Legislature upon request.

Senate File 2430 requires the Juvenile Court to provide a victim of a delinquent act with notification of various rights and services connected with the delinquent act. Victims are also permitted to file a Victim Impact Statement with the Juvenile Court, and this Statement must be considered by the Court and the Juvenile Court Officer. Victims of a delinquent act are permitted access to Juvenile Court records concerning the act.

#### ASSUMPTIONS

1. There are 13,500 victims eligible for notification each year. This number is based upon the Judicial Department's estimates of the number of informal adjustments and juvenile delinquency filings in FY 1995.

 The notification procedure will take approximately 30 minutes of time by a Juvenile Court Officer.

#### FISCAL IMPACT

Senate File 2430 will increase the demands on Juvenile Court Officers' time. This will limit the time they have to spend on other activities. The Bill will not result in additional State expenditures unless additional Juvenile Court Officers are hired.
