12 for the portion of time that the teacher is employed in a
13 nonadministrative position.

14 ~~Effective July 17, 1988, "teacher"~~ "Teacher" includes a

23 EXPLANATION

24 This bill restores language relating to the definition of
25 teacher for purposes of the educational excellence program.
26 The language was struck from the Code in 1989 through the
27 enactment of House File 794, which established an autonomous
28 board to perform the duties of the board of educational
29 examiners and the professional practices commission.

30 Prior to 1989, school nurses and area education agency
31 professionals were included in the definition of teacher and
32 could qualify to receive Phase I, II or III payments. The
33 board of educational examiners issues letters of authorization
34 and statements of professional recognition to school nurses
35 who have at least a bachelor of science in nursing, school

1 social workers, occupational therapists, physical therapists,
2 hearing clinicians, and speech clinicians.

3 The bill takes effect upon enactment and is retroactively
4 applicable to July 1, 1994.
