

Senate Study Bill 2036

Conference Committee Text

PAG LIN

1 1 Section 1. Section 321.1, subsection 32, paragraph f, Code
1 2 Supplement 1995, is amended to read as follows:
1 3 f. Self-propelled machinery

~~or machinery towed by a motor~~

1 4

~~vehicle or farm tractor~~

~~operated at speeds of less than thirty~~

1 5 miles per hour or machinery towed by a motor vehicle or farm
1 6 tractor. The machinery must be specifically designed for, or
1 7 especially adapted to be capable of, incidental over-the-road
1 8 and primary off-road usage. In addition, the machinery must
1 9 be used exclusively for the mixing and dispensing of nutrients
1 10 to bovine animals fed at a feedlot, or the application of
1 11 organic or inorganic plant food materials, agricultural
1 12 limestone, or agricultural chemicals. However, the machinery
1 13 shall not be specifically designed or intended for the
1 14 transportation of such nutrients, plant food materials,
1 15 agricultural limestone, or agricultural chemicals.

1 16 Sec. 2. EFFECTIVE DATE. This Act, being deemed of
1 17 immediate importance, takes effect upon enactment.

1 18 EXPLANATION

1 19 This bill amends section 321.1, which provides definitions
1 20 for the chapter which provides regulations relating to motor
1 21 vehicles and the law of the road. Last year, the general
1 22 assembly enacted 1995 Iowa Acts, chapter 56 (Senate File 298),
1 23 which in part amended the definition of an "implement of
1 24 husbandry" to add machinery towed by a motor vehicle or farm
1 25 tractor operated at speeds of less than 30 miles an hour.
1 26 This bill amends that section again to provide that the
1 27 machinery towed by a motor vehicle or farm tractor does not
1 28 have to operate at speeds less than 30 miles per hour. The
1 29 bill takes effect upon enactment.
