HF 202

1 Section 1. Section 483A.24, subsection 2, Code 1997, is
2 amended by adding the following new paragraph:

3 NEW PARAGRAPH. d. If the commission establishes a deer
4 hunting season to occur in the first quarter of a calendar
5 year that is separate from a deer hunting season that
6 continues from the last quarter of the preceding calendar
7 year, each owner and each tenant of a farm unit located within
8 a zone where a deer hunting season is established, upon
9 application, shall be issued a free deer hunting license for
10 each of the two calendar quarters. The license is valid only
11 for hunting on the farm unit of the owner and tenant.

12 EXPLANATION

13 This bill provides that if a deer hunting season
14 established by the natural resource commission overlaps from
15 the last quarter of a calendar year into a deer hunting season
16 established by the commission in the first quarter of the
17 calendar year, an owner and tenant of a farm unit in a zone
18 where the two separate hunting seasons are established, upon
19 application, shall each receive a free deer hunting license
20 for each of the two calendar quarters.
