HF 2081

1 Section 1. NEW SECTION. 642.22A PAYMENT BY GARNISHEE  
2 SUBJECT TO MULTIPLE GARNISHMENTS.

3 Notwithstanding any provision of this chapter to the  
4 contrary, a garnishee who has more than one employee subject  
5 to garnishment of earnings and who would be making multiple  
6 transfers of such earnings to the same entity pursuant to the  
7 notices of garnishment if the garnishee responded to the  
8 individual notices of garnishment, may make a single transfer  
9 to the entity for the total amount of all employee earnings  
10 currently garnished and payable to that entity, provided that  
11 an itemized list of employee names, associated garnishment  
12 case numbers, and individual amount of earnings is included  
13 with the transfer of funds.

14 EXPLANATION

15 This bill provides that an employer who has more than one  
16 employee whose wages are being garnished may make one payment  
17 to the entity receiving the garnished earnings, rather than  
18 making a payment for each employee subject to garnishment,  
19 provided that an itemized list of employee names, associated  
20 garnishment case numbers, and individual amounts of earnings  
21 are included with the transfer of funds.
