1 Section 1. NEW SECTION. 103A.7A STATE GOVERNMENT
2 PROJECTS -- APPLICATION OF LOCAL BUILDING CODES --
3 APPRENTICESHIP.

4 Any project bid solicited and approved by any state agency
5 shall require compliance with the standards set forth in the
6 codes, regulations, or procedures required for construction,
7 electrical, and plumbing projects by the governmental
8 subdivision in which the project is located. Apprentices
9 retained for a project must be registered with a state or
10 federally approved apprenticeship training school.

11 EXPLANATION

12 This bill requires that bids solicited and approved by any
13 state agency shall require compliance with the construction,
14 electrical, and plumbing codes, regulations, and procedures
15 required by the governmental subdivision in which the project
16 is located. Apprentices retained for the project must be
17 registered with a state or federally approved apprenticeship
18 training school.
