*HF 2452*

1 Section 1. Section 455B.310, subsection 3, Code 1997, is  
2 amended to read as follows:

3 3. Solid waste disposal facilities with special provisions  
4 which limit the site to disposal of construction and  
5 demolition waste, landscape waste, coal combustion waste,  
6 foundry sand, and solid waste materials approved by the  
7 department for lining or capping, or for construction berms,  
8 dikes, or roads in a sanitary disposal project or sanitary  
9 landfill, and solid waste disposal facilities with outstanding  
10 public debt incurred prior to January 1, 1998, to construct a  
11 solid waste disposal project to comply with section 455B.302  
12 are exempt from the tonnage fees imposed under this section.  
13 However, solid waste disposal facilities under this subsection  
14 are subject to the fees imposed pursuant to section 455B.105,  
15 subsection 11, paragraph "a". A solid waste disposal facility  
16 with outstanding public debt shall use all tonnage fees  
17 exempted under this section to satisfy the public debt.  
18 Notwithstanding the provisions of section 455B.105, subsection  
19 11, paragraph "b", the fees collected pursuant to this  
20 subsection shall be used by the department for the regulation  
21 of these solid waste disposal facilities.

22 EXPLANATION

23 This bill provides that solid waste disposal facilities  
24 with outstanding public debt incurred prior to January 1,  
25 1998, to construct a solid waste disposal project to comply  
26 with Code section 455B.302, which requires sanitary disposal  
27 projects for the final disposal of solid waste, are exempt  
28 from the tonnage fees imposed pursuant to Code section  
29 455B.310. The bill requires that the exempted tonnage fees be  
30 used to satisfy the public debt.
