HF 91

1 Section 1. Section 422.45, subsection 38A, Code 1997, is
2 amended to read as follows:

3 38A. The gross receipts from the sale or rental of
4 aircraft; the sale or rental of tangible personal property
5 permanently affixed or attached as a component part of the
6 aircraft, including but not limited to repair or replacement
7 materials or parts; and the gross receipts of all services
8 used for aircraft repair, remodeling, and maintenance services
9 when such services are performed on aircraft, aircraft
10 engines, or aircraft component materials or parts. For the
11 purposes of this exemption, "aircraft" means aircraft used in
12 ~~a-scheduled~~ an interstate federal aviation administration-
13 certified air carrier operation.

14 Sec. 2. EFFECTIVE DATE. This Act, being deemed of
15 immediate importance, takes effect upon enactment.

16 EXPLANATION

17 Current law provides a sales tax exemption for the gross
18 receipts from the sale or rental of aircraft, the sale or
19 rental of component parts of an aircraft, and from certain
20 services used for aircraft repair, remodeling, and maintenance
21 services. The exemption is limited to aircraft used in a
22 scheduled interstate federal aviation administration-certified
23 air carrier operation. This bill removes the limitation that
24 the operation be scheduled and instead allows the exemption
25 for an aircraft used in an interstate federal aviator
26 administration-certified air carrier operation.

27 This bill is effective upon enactment.
