22 EXPLANATION

23 This bill sets the registration fee for aircraft in Iowa at
24 \$20. Currently, registration fees are as follows:

25 1. The fee for most aircraft is based on a formula which
26 starts with 1.5 percent of the manufacturer's list price and
27 is reduced from that in the second and subsequent years, but
28 not below \$35.

29 2. Aircraft operated in scheduled interstate airline
30 operation, owned by an Iowa person, or owned and operated by
31 an aviation business located at a publicly owned airport, have
32 a registration fee of \$100.

33 3. Aircraft 30 years old or older have a registration fee
34 of \$35.

35 4. Helicopters used exclusively as air ambulances have a

1 registration fee of \$1,000.

2 The bill also repeals Code sections 328.22 and 328.24 to
3 conform to the changes made to Code section 328.21.
