S.F. 2258

1 Section 1. NEW SECTION. 514I.1 TITLE.

2 This chapter shall be known and may be cited as the "Health  
3 Insurance Consumers' Bill of Rights Act".

4 Sec. 2. NEW SECTION. 514I.2 DEFINITIONS.

5 As used in this chapter, unless the context otherwise  
6 requires:

7 1. "Division" means the insurance division of the  
8 department of commerce.

9 2. "Emergency medical condition" means a medical condition  
10 which manifests by acute symptoms of sufficient severity,  
11 including severe pain, such that a prudent layperson who  
12 possesses an average knowledge of health and medicine could  
13 reasonably expect the absence of immediate medical attention  
14 to result in any of the following:

15 a. Placing the health of the individual or with respect to  
16 a pregnant woman, the health of the woman or the fetus in  
17 serious jeopardy.

18 b. Serious impairment to bodily functions.

19 c. Serious dysfunction of any bodily organ or part.

20 3. "Emergency services" means, with respect to an enrollee  
21 under a plan or coverage, inpatient and outpatient services,  
22 covered under the plan or coverage, that are furnished by a  
23 provider that is qualified to furnish such services under the  
24 plan or coverage, and are necessary to evaluate or stabilize  
25 an emergency.

26 4. "Enrollee" means an individual who is entitled to  
27 benefits under a group health plan or under health insurance  
28 coverage.

29 5. "Group health plan" means a group health plan as  
30 defined in 42 U.S.C. § 300gg(91).

31 6. "Health care professional" means a person licensed to  
32 practice a profession as defined in section 147.1, with the  
33 exceptions of cosmetology arts and sciences, barbering, and  
34 mortuary sciences, who provides health care services.

35 7. "Health care provider" means "provider" as defined in

1 section 514B.1.

2 8. "Health insurance coverage" means health insurance  
3 coverage as defined in 42 U.S.C. § 300gg(91).

4 9. "Health insurance issuer" means a person who does  
5 insurance business in the state who provides health insurance  
6 coverage.

7 10. "Managed care" means, with respect to a group health  
8 plan or health insurance coverage, a plan or coverage that  
9 provides financial incentives for enrollees to obtain benefits  
10 through participating health care providers or professionals.

11 11. "Nonparticipating" means with respect to a health care  
12 provider or professional and a group health plan or health  
13 insurance coverage, a provider or professional that is not a  
14 participating provider or professional with respect to plan or  
15 insurance coverage services.

16 12. "Participating" means with respect to a health care  
17 provider or professional and a group health plan or health  
18 insurance coverage offered by a health insurance issuer, a  
19 provider or professional that has entered into an agreement or  
20 arrangement with the plan or issuer with respect to the  
21 provision of health care services to enrollees under the plan  
22 or coverage.

23 13. "Primary care practitioner" means, with respect to a  
24 group health plan or health insurance coverage offered by a  
25 health insurance issuer, a health care professional who is  
26 trained in family practice, general practice, internal  
27 medicine, obstetrics and gynecology, or pediatrics and who is  
28 practicing within the scope of practice authorized by state  
29 law, designated by the plan or issuer to coordinate,  
30 supervise, or provide ongoing care to enrollees.

31 Sec. 3. NEW SECTION. 514I.3 ACCESS TO PERSONNEL AND  
32 FACILITIES -- ASSURING ADEQUATE CHOICE OF HEALTH CARE  
33 PROFESSIONALS.

34 The division shall adopt rules regulating managed care  
35 group health plans and health insurance issuers offering

1 managed care group health insurance coverage to ensure that  
2 the plans and insurers meet all of the following requirements:

3 1. Have a sufficient number and type of primary care  
4 practitioners and specialists throughout the service area to  
5 meet the needs of enrollees and to provide substantive choice.

6 2. Maintain a mix of primary care practitioners that is  
7 adequate to meet the needs of the enrollees' varied  
8 characteristics, including age, gender, race, and health  
9 status.

10 3. Include, to the extent possible, a variety of primary  
11 care providers, including but not limited to community health  
12 centers, rural health clinics, and family planning clinics.

13 Sec. 4. NEW SECTION. 514I.4 ACCESS TO SPECIALTY CARE.

14 The division shall adopt rules regulating managed care  
15 group health plans and health insurance issuers offering  
16 managed care group health insurance coverage to ensure that  
17 the plans and issuers provide enrollees with all of the  
18 following:

19 1. Access to specialty care.

20 2. Standing referrals to specialists.

21 3. Access to nonparticipating providers.

22 4. Direct access without the need for a referral to health  
23 care professionals trained in obstetrics and gynecology.

24 5. A process that permits a health care provider trained  
25 in obstetrics and gynecology to be designated and treated as a  
26 primary care practitioner.

27 Sec. 5. NEW SECTION. 514I.5 ACCESS TO EMERGENCY CARE.

28 1. If a group health plan or health insurance coverage  
29 provides any benefits with respect to emergency services, the  
30 plan or the health insurance issuer offering the coverage  
31 shall do all of the following:

32 a. Provide for emergency services without regard to prior  
33 authorization or the emergency care provider's contractual  
34 relationship with the organization.

35 b. Comply with guidelines prescribed by the secretary of

1 the United States department of health and human services  
2 relating to promoting efficient and timely coordination of  
3 appropriate maintenance and poststabilization care of an  
4 enrollee after the enrollee has been determined to be stable.

5 Sec. 6. NEW SECTION. 514I.6 COVERAGE FOR INDIVIDUALS  
6 PARTICIPATING IN APPROVED CLINICAL TRIALS.

7 1. If a group health plan provides benefits, or a health  
8 insurance issuer offers health insurance coverage to a  
9 qualified enrollee, for an approved clinical trial, the plan  
10 or issuer shall comply with all of the following:

11 a. The plan or issuer shall not deny the enrollee  
12 participation in the clinical trial.

13 b. Subject to subsection 3, the plan or issuer shall not  
14 deny, limit, or impose additional conditions on the coverage  
15 of routine patient costs for items and services furnished in  
16 connection with participation in the trial.

17 c. The plan or issuer shall not discriminate against the  
18 enrollee on the basis of the enrollee's participation in the  
19 trial.

20 2. For the purposes of this subsection, "qualified  
21 enrollee" means an enrollee who meets all of the following  
22 conditions:

23 a. The enrollee has a life-threatening or serious illness  
24 for which no standard treatment is effective.

25 b. The enrollee is eligible to participate in an approved  
26 clinical trial with respect to treatment of such illness.

27 c. The enrollee and the referring physician conclude that  
28 the enrollee's participation in the trial would be  
29 appropriate.

30 d. The enrollee's participation in the trial offers  
31 potential for significant clinical benefit for the enrollee.

32 3. a. A plan or issuer shall provide for payment for  
33 routine patient costs described in subsection 1, but is not  
34 required to pay for costs of items and services that are  
35 reasonably expected to be paid for by the sponsors of an

1 approved clinical trial.

2 b. In the case of covered items and services, the payment  
3 rate if provided by a participating provider shall be the  
4 agreed upon rate and if provided by a nonparticipating  
5 provider shall be the payment rate the plan or issuer would  
6 normally pay for comparable services under paragraph "a".

7 4. As used in this section, "approved clinical trial"  
8 means a clinical research study or clinical investigation  
9 approved by the United States food and drug administration or  
10 approved and funded by one or more of the following:

11 a. The national institutes of health.

12 b. The United States department of defense.

13 Sec. 7. NEW SECTION. 514I.7 CONTINUITY OF CARE.

14 The division shall adopt rules regulating managed care  
15 group health plans and health insurance issuers offering  
16 managed care group health insurance coverage to ensure that  
17 plans and issuers provide continuity of coverage if an  
18 enrollee is undergoing a course of treatment with the provider  
19 at the time of termination of the coverage.

20 Sec. 8. NEW SECTION. 514I.8 PROHIBITION OF INTERFERENCE  
21 WITH CERTAIN MEDICAL COMMUNICATIONS.

22 A contract or agreement, or the operation of a contract or  
23 agreement, between a group health plan or health insurance  
24 issuer offering health insurance coverage in connection with a  
25 group health plan and a health professional shall not prohibit  
26 or restrict the health professional from engaging in medical  
27 communications with a patient. Any contract provision or  
28 agreement that prohibits or restricts such medical  
29 communications is null and void.

30 Sec. 9. NEW SECTION. 514I.9 ACCESS TO NECESSARY  
31 PRESCRIPTION DRUGS.

32 If a group health plan or health insurance issuer offers  
33 health insurance coverage that provides benefits with respect  
34 to prescription drugs, but the coverage limits benefits to  
35 drugs included in a formulary, the plan or issuer shall

1 ensure, in accordance with rules adopted by the division, that  
2 the nature of the formulary restrictions is fully disclosed to  
3 enrollees and exceptions from the formulary restrictions are  
4 provided when medically necessary or appropriate.

5 Sec. 10. NEW SECTION. 514I.10 STANDARDS FOR UTILIZATION  
6 REVIEW ACTIVITIES, COMPLAINTS, AND APPEALS.

7 The division shall establish standards by rule for group  
8 health plans and health insurance issuers offering health  
9 insurance coverage in connection with a group health plan  
10 relating to conduct of utilization review activities. The  
11 standards shall include all of the following:

12 1. A requirement that a plan or issuer develop written  
13 policies and criteria concerning utilization review  
14 activities.

15 2. A requirement that a plan or issuer provide notice of  
16 such policies and criteria and written notice of adverse  
17 determinations to enrollees.

18 3. A restriction on the use of contingent compensation  
19 arrangements with providers.

20 4. A requirement establishing deadlines to ensure timely  
21 utilization review determinations.

22 5. The establishment of an adequate process for filing  
23 complaints and appealing decisions concerning utilization  
24 review determinations, including the mandatory use of an  
25 outside review panel to make decisions on appeals.

26 6. A requirement that a plan or issuer that utilizes  
27 clinical practice guidelines uniformly apply review criteria  
28 based on sound scientific principles and the most recent  
29 medical evidence.

30 Sec. 11. NEW SECTION. 514I.11 QUALITY IMPROVEMENT  
31 PROGRAM.

32 A group health plan or health insurance issuer offering  
33 health insurance coverage shall make arrangements for an  
34 ongoing quality improvement program for health care services  
35 provided to enrollees. The program shall meet standards

1 established by the division, including standards relating to  
2 all of the following:

- 3 1. The measurement of health outcomes relevant to all  
4 populations.
- 5 2. Evaluation of high risk services.
- 6 3. Monitoring utilization of services.
- 7 4. Ensuring appropriate action to improve quality of care.
- 8 5. Providing for an independent external review of the  
9 program.

10 Sec. 12. NEW SECTION. 514I.12 NONDISCRIMINATION.

11 1. A group health plan or health insurance issuer offering  
12 health insurance coverage, whether or not a managed care plan  
13 or coverage, shall not discriminate or engage directly or  
14 through contractual arrangements in any activity, including  
15 the selection of service area, that has the effect of  
16 discriminating against an individual or group of individuals  
17 on the basis of race, culture, national origin, gender, sexual  
18 orientation, language, socioeconomic status, age, disability,  
19 genetic makeup, health status, payer source, or anticipated  
20 need for health care services.

21 2. A plan or issuer shall not discriminate in the  
22 selection of members of the health provider or provider  
23 network or in establishing the terms and conditions for  
24 membership in the network of the plan or coverage based on any  
25 of the factors described in subsection 1.

26 3. A plan or issuer shall not exclude coverage, including  
27 coverage for procedures and drugs, if the effect is to  
28 discriminate in violation of subsection 1 or 2.

29 Sec. 13. NEW SECTION. 514I.13 MEDICAL RECORDS AND  
30 CONFIDENTIALITY.

31 A managed care group health plan or a health insurance  
32 issuer offering managed care group health insurance shall do  
33 all of the following:

- 34 1. Establish written policies and procedures for the  
35 handling of medical records and enrollee communications to

1 ensure enrollee confidentiality.

2 2. Ensure the confidentiality of specified enrollee  
3 information, including prior medical history, medical record  
4 information, and claims information, except when disclosure of  
5 the information is required by law.

6 3. Not release any individual patient record information,  
7 unless a release is authorized in writing by the enrollee or  
8 otherwise required by law.

9 Sec. 14. NEW SECTION. 514I.14 HEALTH PROSPECTUS,  
10 DISCLOSURE OF INFORMATION.

11 1. A group health plan or health insurance issuer  
12 providing health insurance coverage shall provide to each of  
13 its enrollees at the time of enrollment and on an annual  
14 basis, and shall make available to each prospective enrollee  
15 upon request, a prospectus that relates to the plan or  
16 coverage offered, in a format specified by the commissioner,  
17 for the purpose of comparison by enrollees and prospective  
18 enrollees, that provides all of the following:

19 a. Quality assessment data on the plan or coverage that  
20 meets all of the following requirements:

21 (1) Is similar to the types of data collected for managed  
22 care plans under Title XVIII of the federal Social Security  
23 Act, taking into account differences between the populations  
24 covered under that title and the populations covered under  
25 this chapter.

26 (2) Is collected by independent auditing agencies.

27 (3) Includes all of the following:

28 (a) A description of the types of methodologies including  
29 capitation, financial incentives or bonuses, fee-for-service,  
30 salary, and withholds used by the plan or issuer to reimburse  
31 physicians, including the proportions of physicians who have  
32 each of these types of arrangements.

33 (b) Cost-sharing requirements for enrollees.

34 (c) Upon request, information on the reimbursement  
35 methodology used by the plan or insurer or medical groups for

1 individual physicians. However, this paragraph shall not  
2 require the disclosure of specific reimbursement rates.

3 b. Measures of performance data of the plan or issuer in  
4 relation to coverage offered which includes each of the  
5 following and other salient data as the commissioner may  
6 specify:

7 (1) The ratio of physicians to enrollees, including the  
8 ratio of physicians who are obstetricians and gynecologists to  
9 adult female enrollees.

10 (2) The ratio of specialists, including the types of  
11 specialists, to enrollees.

12 (3) The incentive structure used for payment of primary  
13 care physicians and specialists.

14 (4) Patient outcomes for procedures, including procedures  
15 specific to female enrollees.

16 (5) The average number of grievances filed annually under  
17 the plan or coverage.

18 (6) The number of requests for procedures for which  
19 utilization review board review or approval is required and  
20 the number and percentage of requests that are denied.

21 (7) The number of appeals filed from denial of such  
22 requests and the number and percentage of such appeals that  
23 are approved, and such numbers and percentages by gender of  
24 the enrollee involved.

25 (8) Disenrollment data.

26 c. The benefits provided under the plan or coverage, as  
27 well as explicit exclusions, including a description of all of  
28 the following:

29 (1) The coverage policy with respect to coverage for  
30 female-specific benefits, including screening mammography,  
31 hormone replacement therapy, bone density testing,  
32 osteoporosis screening, maternity care, and reconstructive  
33 surgery following a mastectomy.

34 (2) The costs of copayments for treatments, including any  
35 exceptions.

1 d. Additional information, including all of the following:

2 (1) The plan's or issuer's structure and provider network,  
3 including the names and credentials of physicians in the  
4 network.

5 (2) Coverage provided and excluded, including out-of-area  
6 coverage.

7 (3) Procedures for utilization management.

8 (4) Procedures for determining coverage for  
9 investigational or experimental treatments as well as  
10 definitions for coverage terms.

11 (5) Any restrictive formularies or prior approval  
12 requirements for obtaining prescription drugs, including, upon  
13 request, information on whether or not specific drugs are  
14 covered.

15 (6) Use of voluntary or mandatory arbitration.

16 (7) Procedures for receiving emergency care and out-of-  
17 network services when those services are not available in the  
18 network and information on the coverage of emergency services,  
19 including all of the following:

20 (a) The appropriate use of emergency services, including  
21 use of the 911 telephone system or its local equivalent in  
22 emergency situations and an explanation of what constitutes an  
23 emergency situation.

24 (b) The process and procedures for obtaining emergency  
25 services.

26 (c) The locations of emergency departments and other  
27 settings, in which physicians and hospitals provide emergency  
28 services and poststabilization care.

29 (d) How to contact agencies that regulate the plans or  
30 issuer.

31 (e) How to contact consumer assistance agencies.

32 (f) How to obtain covered services.

33 (g) How to receive preventive health services and health  
34 education.

35 (h) How to select providers and obtain referrals.

1 (i) How to appeal health plan decisions and file  
2 grievances.

3 2. This section shall not be construed as preventing the  
4 state from requiring health insurance issuers, in relation to  
5 their offering of health insurance coverage, to separately  
6 disclose information, including comparative ratings of health  
7 insurance coverage, in addition to the information required to  
8 be disclosed under this section.

9 Sec. 15. NEW SECTION. 514I.15 PROMOTING GOOD MEDICAL  
10 PRACTICE.

11 1. A group health plan or a health insurance issuer, in  
12 connection with the provision of health insurance coverage,  
13 shall not impose limits on the manner in which particular  
14 services are delivered, if the services are medically  
15 necessary or appropriate, to the extent that such procedure or  
16 treatment is otherwise a covered benefit.

17 2. Subsection 1 shall not be construed as requiring  
18 coverage of particular services which are not otherwise  
19 covered under the terms of the coverage.

20 EXPLANATION

21 This bill provides for the establishment of rights for  
22 enrollees under managed care health insurance plans. The  
23 rights established relate to access to personnel and  
24 facilities, provision of choice of health care professionals  
25 under a plan, access to specialty and emergency care, coverage  
26 for participation in clinical trials, continuity of care when  
27 coverage is terminated while an enrollee is undergoing a  
28 course of treatment, access to necessary prescription drugs,  
29 standards for utilization review, complaints and appeals, a  
30 quality improvement program for health care services offered  
31 to enrollees, nondiscrimination of plans, medical records and  
32 confidentiality, the provision of information regarding the  
33 plan and insurer, and the promotion of good medical practices.
