EXPLANATION

12 24 This bill provides for the conversion of the existing  
12 25 athletic training and massage therapy advisory boards,  
12 26 presently reporting to the Iowa department of public health,  
12 27 into full regulatory examining boards subject to the general  
12 28 provisions for health-related provisions pursuant to Code  
12 29 chapter 147. The bill provides that the board of examiners  
12 30 for massage therapists will be comprised of four members  
12 31 licensed to practice massage therapy and three members not so  
12 32 licensed, representing the general public.

12 33 For the board of examiners for athletic training, the board  
12 34 will be comprised of three members licensed to practice  
12 35 athletic training, three physicians licensed to practice  
13 1 medicine and surgery, and one member not licensed as an  
13 2 athletic trainer or physician, representing the general  
13 3 public.

13 4 The bill also provides that members of the massage therapy  
13 5 examining board shall be appointed by the governor, rather  
13 6 than the existing procedure of appointment by the director of  
13 7 public health. Members of the advisory board for athletic  
13 8 training are already appointed by the governor under current  
13 9 law.
