### EXPLANATION

1 11 This bill permits the board of educational examiners to  
1 12 establish the term of school administrators' licenses by  
1 13 striking Code language establishing a five-year term of  
1 14 validity. Within the same Code section, the bill also strikes  
1 15 a date and designation from a provision requiring the board to  
1 16 adopt rules relating to professional development programs for  
1 17 individuals licensed or certified as administrators of  
1 18 schools. The bill strikes the date because all individuals  
1 19 licensed in Iowa have been licensed since that date, and  
1 20 strikes the words "or certificated" because Iowa  
1 21 administrators are licensed, not certificated, by the state  
1 22 board of educational examiners.
