HF 2199

1 Section 1. Section 309.40, Code 1999, is amended by adding
2 the following new paragraph:

3 NEW UNNUMBERED PARAGRAPH. This section does not apply to
4 bridge construction work and materials for a project
5 designated by the board of supervisors to be completed by
6 regularly employed county road personnel using county
7 equipment if the project is within the capability of the
8 county road personnel as determined by the county engineer.

9 EXPLANATION

10 This bill exempts bridge construction work and materials
11 for a project estimated to cost more than \$50,000 from public
12 bid letting requirements if the board of supervisors selects
13 the project for completion by regularly employed county
14 personnel using county equipment and if the county engineer
15 determines that the project is within the capabilities of the
16 county personnel and equipment.
