1 Section 1. NEW SECTION. 142C.18 STATEWIDE ORGAN AND
2 TISSUE DONOR REGISTRY.

3 The director of public health may contract for the
4 establishment of a statewide organ and tissue donor registry.
5 The contract shall provide for a centralized database and
6 automated system to make organ and tissue donor information
7 available to family members and physicians seven days a week,
8 twenty-four hours per day. The registry shall be used to
9 compile the organ and tissue donation information received by
10 the state department of transportation, county treasurers,
11 attorneys, organ donation awareness programs, and others.

12 The director of public health shall work with the state
13 department of transportation, county treasurers, and the Iowa
14 organ donor network in developing specifications for the
15 registry. Consideration shall be given to implementing an
16 automated toll-free hotline and providing internet access to
17 the registry.

18 Sec. 2. STATEWIDE ORGAN AND TISSUE DONOR REGISTRY -- STUDY
19 -- IMPLEMENTATION. If sufficient funding is available from
20 state appropriations, federal funding, or private sources, the
21 Iowa department of public health shall conduct a feasibility
22 study for implementation of a statewide organ and tissue donor
23 registry as described in this Act. Implementation of the
24 registry is contingent upon the department securing sufficient
25 funding to support initial start-up and ongoing administrative
26 costs associated with the operation of the registry.

27 EXPLANATION

28 This bill authorizes the director of public health to
29 establish a statewide organ and tissue donor registry.

30 New Code section 142C.18 authorizes the director of public
31 health to contract for the registry. The contract is to
32 provide for a centralized database and automated system to
33 make organ and tissue donor information available to family
34 members and physicians seven days a week, 24 hours per day.
35 The registry is to be used to compile the organ and tissue

1 donation information received by the state department of
2 transportation, county treasurers, attorneys, organ donation
3 awareness programs, and others.

4 The director of public health is to work with the state
5 department of transportation, county treasurers, and the Iowa
6 organ donor network in developing specifications for the
7 registry. Consideration is to be given to implementing an
8 automated toll-free hotline and providing internet access to
9 the registry.

10 If sufficient funding is available, the director of public
11 health is to conduct a feasibility study for implementation of
12 a statewide organ and tissue donor registry as described in
13 the bill.
