16 chairpersons and ranking members of the joint subcommittee on  
17 education appropriations, by January 15, 2001, a comparison of  
18 the data collected by the basic educational data survey for K-  
19 12 schools to the data being collected by the management  
20 information system for community colleges. In addition, the  
21 director must submit a progress report on the management  
22 information system to the legislative fiscal bureau and
