HF 60

1 Section 1. Section 257.6, subsection 1, paragraph f, Code  
2 1999, is amended to read as follows:  
3 f. Resident pupils receiving competent private instruction  
4 under dual enrollment pursuant to chapter 299A shall be  
5 counted as one-tenth of one pupil if enrolled in fewer than  
6 three academic courses, two-tenths of one pupil if enrolled in  
7 three academic courses, and three-tenths of one pupil if  
8 enrolled in more than three academic courses. For purposes of  
9 this paragraph, "academic course" means a course taken for  
10 credit in accordance with section 256.11, subsection 5, or a  
11 class that meets the requirements of section 256.11,  
12 subsection 3 or 4, in which the pupil participates in  
13 accordance with section 299A.8.

14 Sec. 2. This Act, being deemed of immediate importance,  
15 takes effect upon enactment and applies to the school  
16 enrollment count taken on September 17, 1999.

17 EXPLANATION

18 This bill provides an increasing weighted enrollment scale  
19 for dual enrollment students. Students enrolled in a private  
20 course of instruction, but also enrolled in a public school  
21 taking fewer than three public school courses, shall receive  
22 an enrollment weighting of one-tenth of one pupil. Students  
23 taking three courses shall be weighted at two-tenths of one  
24 pupil. Students taking more than three courses shall be  
25 weighted at three-tenths of one pupil. The bill provides that  
26 "academic course" means a course taken for credit pursuant to  
27 Code section 256.11, subsection 3, 4, or 5.

28 The Act takes effect immediately upon enactment and applies  
29 to school enrollment count taken the third Friday of September  
30 of 1999.
