SF 17 TRANSPORTATION

1 Section 1. Section 321.20B, subsection 1, unnumbered
2 paragraph 1, Code 1999, is amended to read as follows:

3 Notwithstanding ~~chapter~~ 321A, which requires certain
4 persons to maintain proof of financial responsibility, a
5 person shall not drive a motor vehicle ~~on-the-highways-of in~~
6 this state unless financial liability coverage, as defined in
7 section 321.1, subsection 24A, is in effect for the motor
8 vehicle and unless the driver has in the motor vehicle the
9 proof of financial liability coverage card issued for the
10 motor vehicle, or if the vehicle is registered in another
11 state, other evidence that financial liability coverage is in
12 effect for the motor vehicle. This subsection applies
13 wherever the motor vehicle may be driven, including, but not
14 limited to, on the highways of this state or on public or
15 private property.

16 EXPLANATION

17 This bill strikes language under the state's mandatory
18 motor vehicle proof of financial responsibility law that
19 limits that law's application to driving a motor vehicle on
20 the highways of this state. The bill provides that such proof
21 of financial responsibility is required whether the motor
22 vehicle is driven on the highways of the state or on public or
23 private property.
