1 Section 1. Section 257.20, subsection 2, Code 1999, is  
2 amended by adding the following new paragraph:

3 NEW PARAGRAPH. c. If the amount of instructional support  
4 state aid which a school district receives pursuant to  
5 paragraph "a" or "b" is less than the amount which the  
6 district would otherwise have received if the appropriation  
7 had been an amount necessary to pay instructional support  
8 state aid as determined under subsection 1, the school  
9 district shall be eligible to increase the portion of its  
10 instructional support budget that is local funding. The local  
11 funding increase may be in an amount up to the level of  
12 instructional support state aid which the school district  
13 would have received if the appropriation had been an amount  
14 necessary to pay instructional support state aid as determined  
15 under subsection 1. To increase the amount of local funding  
16 pursuant to this paragraph, a school district participating in  
17 the instructional support program on the effective date of  
18 this Act shall, pursuant to section 257.18, either adopt a  
19 resolution to increase the amount of the local funding if the  
20 remaining amount of the term does not exceed five years, or  
21 submit the question for election if the remaining amount of  
22 the term exceeds five years but does not exceed ten years. If  
23 the question of increasing the amount of the local funding is  
24 submitted for election, the question at election shall be  
25 increasing the level of local funding from the existing level  
26 up to the additional amount of local funding to be received  
27 pursuant to this paragraph.

28 EXPLANATION

29 This bill provides for additional local funding authority  
30 under the instructional support levy.

31 The bill provides that if the amount of instructional  
32 support state aid which a school district receives, pursuant  
33 to Code section 257.20, subsection 2, which restricts the  
34 level of instructional support state aid to the amount  
35 received for the budget year beginning July 1, 1992, is less

1 than the amount the school district would otherwise have  
2 received if the restriction did not apply, the school district  
3 may increase the portion of its instructional support budget  
4 that is local funding. The local funding increase may be in  
5 an amount up to the level of instructional support state aid  
6 which the school district would have received if the  
7 restriction did not apply.

8 The bill provides that to increase the amount of local  
9 funding, a school district participating in the instructional  
10 support program on the effective date of the bill must either  
11 adopt a resolution to increase the amount of the local funding  
12 if the remaining amount of the term does not exceed five  
13 years, or submit the question for election if the remaining  
14 amount of the term exceeds five years but does not exceed 10  
15 years, pursuant to Code section 257.18. The bill further  
16 provides that if the question of increasing the amount of the  
17 local funding is submitted for election, the question at  
18 election shall be increasing the level of local funding from  
19 the existing level up to the additional amount of local  
20 funding to be received.

SF 2/21

1 Section 1. Section 257.20, subsection 2, Code 1999, is  
2 amended by adding the following new paragraph:

3 NEW PARAGRAPH. c. If the amount of instructional support  
4 state aid which a school district receives pursuant to  
5 paragraph "a" or "b" is less than the amount which the  
6 district would otherwise have received if the appropriation  
7 had been an amount necessary to pay instructional support  
8 state aid as determined under subsection 1, the school  
9 district shall be eligible to increase the portion of its  
10 instructional support budget that is local funding. The local  
11 funding increase may be in an amount up to the level of  
12 instructional support state aid which the school district  
13 would have received if the appropriation had been an amount  
14 necessary to pay instructional support state aid as determined  
15 under subsection 1. To increase the amount of local funding  
16 pursuant to this paragraph, a school district participating in  
17 the instructional support program on the effective date of  
18 this Act shall, pursuant to section 257.18, either adopt a  
19 resolution to increase the amount of the local funding if the  
20 remaining amount of the term does not exceed five years, or  
21 submit the question for election if the remaining amount of  
22 the term exceeds five years but does not exceed ten years. If  
23 the question of increasing the amount of the local funding is  
24 submitted for election, the question at election shall be  
25 increasing the level of local funding from the existing level  
26 up to the additional amount of local funding to be received  
27 pursuant to this paragraph.

28 EXPLANATION

29 This bill provides for additional local funding authority  
30 under the instructional support levy.

31 The bill provides that if the amount of instructional  
32 support state aid which a school district receives, pursuant  
33 to Code section 257.20, subsection 2, which restricts the  
34 level of instructional support state aid to the amount  
35 received for the budget year beginning July 1, 1992, is less

1 than the amount the school district would otherwise have  
2 received if the restriction did not apply, the school district  
3 may increase the portion of its instructional support budget  
4 that is local funding. The local funding increase may be in  
5 an amount up to the level of instructional support state aid  
6 which the school district would have received if the  
7 restriction did not apply.

8 The bill provides that to increase the amount of local  
9 funding, a school district participating in the instructional  
10 support program on the effective date of the bill must either  
11 adopt a resolution to increase the amount of the local funding  
12 if the remaining amount of the term does not exceed five  
13 years, or submit the question for election if the remaining  
14 amount of the term exceeds five years but does not exceed 10  
15 years, pursuant to Code section 257.18. The bill further  
16 provides that if the question of increasing the amount of the  
17 local funding is submitted for election, the question at  
18 election shall be increasing the level of local funding from  
19 the existing level up to the additional amount of local  
20 funding to be received.
