25 delinquency programming.

26 Under the bill, when a court imposes a fine or forfeiture
27 for a violation of a state law or of a city or county

3 to establish a legislative interim study pertaining to
4 juvenile delinquency programming. The study is to include an
5 examination of the various federal, state, and local public
6 and private agencies involved in providing services to
7 delinquent juveniles; the availability of current federal,
8 state, local, and private funding for programming for
9 juveniles who are the subject of a delinquency petition; the
10 types and administration of facilities which provide
11 programming for delinquent juveniles; and various alternative
12 and innovative approaches taken in other states to provide
13 juvenile delinquency services. A report containing the study
14 findings and any recommendations for legislative action is to
