DIVISION I

Section 1. ENFORCEMENT. There is appropriated from the general fund of the state to the department of public safety, for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. For the division of narcotics enforcement: For the employment of six narcotics enforcement agents, and for not more than the following full-time equivalent

positions:		
.....	\$	505,000
.....	FTEs	6.00

2. For the division of criminal investigation: For two criminalists for the division's laboratory who will primarily focus on methamphetamine testing, and for not more than the following full-time equivalent positions:

.....	\$	80,956
.....	FTEs	2.00

3. For the establishment of a clandestine methamphetamine laboratory emergency response team within the department, and for not more than the following full-time equivalent positions:

.....	\$	980,000
.....	FTEs	13.00

The clandestine methamphetamine laboratory emergency response team established pursuant to this subsection shall consist of five narcotics agents, one fire marshal special agent, five state patrol officers, one division of criminal investigation investigator, and one division of narcotics enforcement technical support employee.

Sec. 2. YOUTH LEADERSHIP MODEL. There is appropriated from the general fund of the state to the Iowa department of corrections for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

1 For the establishment of youth leadership model programs to  
2 help at-risk youth in the judicial district departments of  
3 correctional services selected by the department:

4 ..... \$ 100,000

5 As a part of the program, the judicial district department  
6 of correctional services may recruit high school athletes in  
7 communities in the judicial district to work with at-risk  
8 children.

9 Sec. 3. DRUG COURT PILOT PROGRAMS. The governor's  
10 alliance on substance abuse shall subgrant on a reimbursement  
11 basis from moneys received by the alliance under the federal  
12 Edward Byrne memorial state and local law enforcement  
13 assistance program to the judicial branch for the fiscal year  
14 beginning July 1, 1999, and ending June 30, 2000, the  
15 following amount, or so much thereof as is necessary, to be  
16 used for the purpose designated:

17 For expenses associated with establishment of two drug  
18 court pilot programs:

19 ..... \$ 60,000

20 DIVISION II

21 Sec. 4. JUVENILE DELINQUENT TREATMENT. There is  
22 appropriated from the general fund of the state to the  
23 department of human services for the state training school at  
24 Eldora, for the fiscal year beginning July 1, 1999, and ending  
25 June 30, 2000, the following amount, or so much thereof as is  
26 necessary, to be used for the purpose designated:

27 For providing treatment programs for every substance abuser  
28 and sexual predator placed at the state training school  
29 needing treatment:

30 ..... \$ 62,000

31 Sec. 5. Section 217.12, subsection 3, paragraph b, Code  
32 1999, is amended to read as follows:

33 b. Designation of the services to be provided for the  
34 families served, including assistance regarding job-seeking  
35 skills, family budgeting, nutrition, self-esteem,

1 methamphetamine education, health and hygiene, child rearing,  
2 child education preparation, and goal setting. Grant  
3 proposals shall indicate the support groups and support  
4 systems to be developed for the families served during the  
5 transition between the need for assistance and self-  
6 sufficiency.

7 DIVISION III

8 Sec. 6. METHAMPHETAMINE TREATMENT. There is appropriated  
9 from the general fund of the state to the Iowa department of  
10 public health for the fiscal year beginning July 1, 1999, and  
11 ending June 30, 2000, the following amounts, or so much  
12 thereof as is necessary, to be used for the purposes  
13 designated:

14 1. For additional methamphetamine treatment under the  
15 substance abuse treatment program:  
16 ..... \$ 1,500,000

17 2. For development of a model substance abuse prevention  
18 program based upon the North high school program in Des  
19 Moines:  
20 ..... \$ 30,000

21 Information about the model substance abuse prevention  
22 program developed under this subsection shall be distributed  
23 to schools in this state that have a high percent of students  
24 susceptible to substance abuse, particularly methamphetamine  
25 abuse, to assist those schools that are submitting  
26 applications for competitive grants from the department.

27 Sec. 7. YOUTH LEADERSHIP CONFERENCE ON MENTORING. There  
28 is appropriated from the general fund of the state to the  
29 governor's alliance on substance abuse for the fiscal year  
30 beginning July 1, 1999, and ending June 30, 2000, the  
31 following amount, or so much thereof as is necessary, to be  
32 used for the purpose designated:

33 For planning and holding a youth leadership conference on  
34 mentoring for individuals who agree to serve as mentors to  
35 youth to help reduce substance abuse, especially

1 methamphetamine abuse, in schools:  
2 ..... \$ 20,000

3 Sec. 8. NEW SECTION. 135.16 SPECIAL WOMEN, INFANTS, AND  
4 CHILDREN SUPPLEMENTAL FOOD PROGRAM -- FUNDING ALLOCATION.

5 As a component of the federal funding received by the  
6 department as the administering agency for the special women,  
7 infants, and children supplemental food program, from the  
8 United States department of agriculture, food and consumer  
9 service, the department shall incorporate a methamphetamine  
10 education program into its nutrition and health-related  
11 education services. The department shall be responsible for  
12 the development of the education program to be delivered, and  
13 for the selection of qualified contract agencies to deliver  
14 the instruction under the program.

15 DIVISION IV

16 Sec. 9. LABOR MANAGEMENT SUBSTANCE ABUSE EDUCATION  
17 PROGRAM. The executive council shall transfer from the health  
18 insurance surplus account to the department of personnel for  
19 the fiscal year beginning July 1, 1999, and ending June 30,  
20 2000, the following amount, or so much thereof as is  
21 necessary, which is appropriated to be used for the purpose  
22 designated:

23 For development of a labor management substance abuse  
24 education program, with an emphasis on methamphetamine abuse,  
25 that can serve as a model to be used by labor and management  
26 throughout the state:

27 ..... \$ 30,000

28 DIVISION V

29 Sec. 10. STRENGTHENING FAMILIES PROGRAM.

30 1. The cooperative extension service at Iowa state  
31 university, in association with the institute of social and  
32 behavioral research at Iowa state university, shall develop a  
33 strengthening families program to provide funding and  
34 assistance to communities for families who have children  
35 between the ages of 10 and 14 years of age for prevention of

1 substance abuse with an emphasis on prevention of  
2 methamphetamine abuse. Communities participating in the  
3 program must contract with the cooperative extension service  
4 and provide a match for the cooperative extension service to  
5 bring the program to the community.

6 2. The governor's alliance on substance abuse shall  
7 subgrant on a reimbursement basis an amount not exceeding  
8 \$270,000 of moneys received by the alliance under the federal  
9 Edward Byrne memorial state and local law enforcement  
10 assistance program to support the strengthening families  
11 program. A strengthening families program fund is established  
12 in the office of the treasurer of state under the authority of  
13 the department of education. The moneys shall be distributed  
14 on a first-come, first-served matching funds basis by the  
15 department of education to communities participating in the  
16 strengthening families program.

17 Notwithstanding section 8.33, moneys in the fund that  
18 remain unencumbered or unobligated at the close of the fiscal  
19 year shall not revert but shall remain available for  
20 expenditure for the purposes designated until the close of the  
21 succeeding fiscal year.

22 3. The cooperative extension service shall solicit the  
23 assistance of the department of education, the Iowa department  
24 of public health, and other public and private agencies  
25 providing services to families in promoting the program.

26 4. There is appropriated from the general fund of the  
27 state to the department of education for the fiscal year  
28 beginning July 1, 1999, and ending June 30, 2000, the  
29 following amount, or so much thereof as is necessary, to be  
30 used for the purpose designated:

31 For communities to participate in the strengthening  
32 families program:

33 ..... \$ 50,000

34 Sec. 11. Section 279.51, subsection 1, paragraph d, Code  
35 1999, is amended to read as follows:

1 d. For the fiscal year beginning July 1, 1996, and for  
 2 each fiscal year thereafter, three million five hundred  
 3 thousand dollars of the funds appropriated shall be allocated  
 4 as grants to school districts that have elementary schools  
 5 that demonstrate the greatest need for programs for at-risk  
 6 students with preference given to innovative programs for the  
 7 early elementary school years. School districts receiving  
 8 grants under this paragraph shall at a minimum provide  
 9 activities and materials designed to encourage children's  
 10 self-esteem, provide role modeling and mentoring techniques in  
 11 social competence and social skills, and discourage  
 12 inappropriate drug use. The grant allocations made in this  
 13 paragraph may be renewed for additional periods of time. Of  
 14 the amount allocated under this paragraph for each fiscal  
 15 year, seventy-five thousand dollars shall be allocated to  
 16 school districts which have an actual student population of  
 17 ten thousand or less and have an actual non-English speaking  
 18 student population which represents greater than five percent  
 19 of the total actual student population for grants to  
 20 elementary schools in those districts.

21 Sec. 12. Section 279.51, subsection 3, unnumbered  
 22 paragraph 3, Code 1999, is amended to read as follows:

23 Programs shall provide at a minimum recreation  
 24 opportunities; personal skills development; activities and  
 25 materials designed to encourage children's self-esteem,  
 26 provide role modeling and mentoring techniques in social  
 27 competence and social skills, and discourage inappropriate  
 28 drug use; basic academic skills development; family  
 29 interaction opportunities; and mentoring. Additional  
 30 objectives of the programs shall be: to increase the ability  
 31 of existing agencies within the community to address the  
 32 multiple problems of children and youth and to coordinate  
 33 their activities and to facilitate joint planning to make the  
 34 most economic and innovative use of community resources.  
 35 Priority shall be given to programs that provide access to a

1 center for children and youth after school, in the evening,  
2 and on weekends, and during the summer and that provide a  
3 twenty-four-hour telephone hotline or similar service, and  
4 that provide access to day care or on-site child day care.  
5 Programs shall at a minimum provide career development  
6 services, mental health and family counseling services, and  
7 primary health care services that include but are not limited  
8 to physical examinations, immunizations, hearing and vision  
9 screening, and preventive and primary health care services, in  
10 the context of the educational needs of the students.  
11 Programs shall not include abortion counseling or the  
12 dispensing of contraceptives.

13 EXPLANATION

14 This bill provides funding and establishes programs for  
15 enforcement, prevention, education, and treatment for  
16 substance abuse, especially methamphetamine abuse and sexual  
17 abuse, and for programs for at-risk youth.

18 This bill appropriates moneys to the department of public  
19 safety for the division of narcotics enforcement for the  
20 purpose of employing six narcotics enforcement agents, and for  
21 the division of criminal investigation for two criminalists  
22 within the division of criminal investigation of the  
23 department of public safety to focus on methamphetamine  
24 testing.

25 The bill appropriates moneys to the department of public  
26 safety for the establishment of a clandestine methamphetamine  
27 laboratory emergency response team and specifies the members  
28 of the response team.

29 The bill appropriates moneys to the department of  
30 corrections for establishing a youth leadership model program  
31 to help at-risk youth in a judicial district.

32 Federal moneys are transferred to the judicial branch for  
33 establishing two pilot program drug courts.

34 The bill appropriates moneys to the department of human  
35 services for the state training school at Eldora for treatment

1 for substance abusers and sexual predators.

2 The bill appropriates moneys to the Iowa department of  
3 public health for additional methamphetamine treatment and for  
4 development of a model substance abuse prevention program  
5 based upon the North high school program.

6 The bill appropriates moneys to the governor's alliance on  
7 substance abuse for a youth leadership conference on  
8 mentoring.

9 The bill transfers moneys from the health insurance surplus  
10 account to the department of personnel for development of a  
11 labor management substance abuse education program, with an  
12 emphasis on methamphetamine abuse.

13 The bill directs the cooperative extension service, in  
14 association with the institute for social and behavioral  
15 research, to develop a strengthening families program to  
16 assist communities providing programs for families with  
17 children between 10 and 14 years of age for prevention of  
18 substance abuse, especially methamphetamine abuse. The  
19 program shall be funded through the department of education  
20 using federal moneys and state moneys appropriated for use by  
21 communities.

22 The bill requires that the Iowa department of public health  
23 include a methamphetamine education program component in the  
24 nutrition and health-related education services it administers  
25 under the federal special supplemental food program for women,  
26 infants, and children; that grant proposals submitted to the  
27 family development and self-sufficiency council by public or  
28 private organizations for provision of family development  
29 services to families at risk of long-term welfare dependency  
30 must include methamphetamine education as part of the  
31 services; and that school districts which receive school-based  
32 youth services grants or grants for elementary schools  
33 demonstrating the greatest need for at-risk programs must  
34 provide activities and materials designed to encourage  
35 children's self-esteem, provide role modeling and mentoring

1 techniques in social competence and social skills, and  
2 discourage inappropriate drug use.

SF 361

1 DIVISION I

2 Section 1. ENFORCEMENT. There is appropriated from the  
3 general fund of the state to the department of public safety,  
4 for the fiscal year beginning July 1, 1999, and ending June  
5 30, 2000, the following amounts, or so much thereof as is  
6 necessary, to be used for the purposes designated:

7 1. For the division of narcotics enforcement:

8 For the employment of six narcotics enforcement agents, and  
9 for not more than the following full-time equivalent  
10 positions:

11	.....	\$	505,000
12	.....	FTEs	6.00

13 2. For the division of criminal investigation:

14 For two criminalists for the division's laboratory who will  
15 primarily focus on methamphetamine testing, and for not more  
16 than the following full-time equivalent positions:

17	.....	\$	80,956
18	.....	FTEs	2.00

19 3. For the establishment of a clandestine methamphetamine  
20 laboratory emergency response team within the department, and  
21 for not more than the following full-time equivalent  
22 positions:

23	.....	\$	980,000
24	.....	FTEs	13.00

25 The clandestine methamphetamine laboratory emergency  
26 response team established pursuant to this subsection shall  
27 consist of five narcotics agents, one fire marshal special  
28 agent, five state patrol officers, one division of criminal  
29 investigation investigator, and one division of narcotics  
30 enforcement technical support employee.

31 Sec. 2. DRUG COURT PILOT PROGRAMS. The governor's  
32 alliance on substance abuse shall subgrant on a reimbursement  
33 basis from moneys received by the alliance under the federal  
34 Edward Byrne memorial state and local law enforcement  
35 assistance program to the department of corrections for the

1 fiscal year beginning July 1, 1999, and ending June 30, 2000,  
2 the following amount, or so much thereof as is necessary, to  
3 be used for the purpose designated:

4 For expenses associated with establishment of two drug  
5 court pilot programs:

6 ..... \$ 60,000

7 The director of the department of corrections  
8 shall designate from any appropriation from the  
9 general fund of the state to the department for the  
10 fiscal year beginning July 1, 1999, and ending June  
11 30, 2000, the amount necessary to provide a match for  
12 the expenses associated with the establishment of the  
13 two drug court pilot programs and, if a transfer of  
14 funds is required, the notice provisions of section  
15 8.39 do not apply.

16 DIVISION II

17 Sec. 3. JUVENILE DELINQUENT TREATMENT. There is  
18 appropriated from the general fund of the state to the  
19 department of human services for the state training school at  
20 Eldora, for the fiscal year beginning July 1, 1999, and ending  
21 June 30, 2000, the following amount, or so much thereof as is  
22 necessary, to be used for the purpose designated:

23 For providing treatment programs for every substance abuser  
24 and sexual predator placed at the state training school  
25 needing treatment:

26 ..... \$ 62,000

27 Sec. 4. Section 217.12, subsection 3, paragraph b, Code  
28 1999, is amended to read as follows:

29 b. Designation of the services to be provided for the  
30 families served, including assistance regarding job-seeking  
31 skills, family budgeting, nutrition, self-esteem,  
32 methamphetamine education, health and hygiene, child rearing,  
33 child education preparation, and goal setting. Grant  
34 proposals shall indicate the support groups and support  
35 systems to be developed for the families served during the

1 transition between the need for assistance and self-  
2 sufficiency.

3 DIVISION III

4 Sec. 5. METHAMPHETAMINE TREATMENT. There is appropriated  
5 from the general fund of the state to the Iowa department of  
6 public health for the fiscal year beginning July 1, 1999, and  
7 ending June 30, 2000, the following amounts, or so much  
8 thereof as is necessary, to be used for the purposes  
9 designated:

- 10 1. For additional methamphetamine treatment under the  
11 substance abuse treatment program:  
12 ..... \$ 1,500,000
- 13 2. For development of a model substance abuse prevention  
14 program based upon the North high school program in Des  
15 Moines:  
16 ..... \$ 30,000

17 Information about the model substance abuse prevention  
18 program developed under this subsection shall be distributed  
19 to schools in this state that have a high percent of students  
20 susceptible to substance abuse, particularly methamphetamine  
21 abuse, to assist those schools that are submitting  
22 applications for competitive grants from the department.

23 Sec. 6. YOUTH LEADERSHIP CONFERENCE ON MENTORING. There  
24 is appropriated from the general fund of the state to the  
25 governor's alliance on substance abuse for the fiscal year  
26 beginning July 1, 1999, and ending June 30, 2000, the  
27 following amount, or so much thereof as is necessary, to be  
28 used for the purpose designated:

- 29 For planning and holding a youth leadership conference on  
30 mentoring for individuals who agree to serve as mentors to  
31 youth to help reduce substance abuse, especially  
32 methamphetamine abuse, in schools:  
33 ..... \$ 20,000

34 Sec. 7. NEW SECTION. 135.16 SPECIAL WOMEN, INFANTS, AND  
35 CHILDREN SUPPLEMENTAL FOOD PROGRAM -- FUNDING ALLOCATION.

1 As a component of the federal funding received by the  
2 department as the administering agency for the special women,  
3 infants, and children supplemental food program, from the  
4 United States department of agriculture, food and consumer  
5 service, the department shall incorporate a methamphetamine  
6 education program into its nutrition and health-related  
7 education services. The department shall be responsible for  
8 the development of the education program to be delivered, and  
9 for the selection of qualified contract agencies to deliver  
10 the instruction under the program.

11 DIVISION IV

12 Sec. 8. LABOR MANAGEMENT SUBSTANCE ABUSE EDUCATION  
13 PROGRAM. The executive council shall transfer from the health  
14 insurance surplus account to the department of personnel for  
15 the fiscal year beginning July 1, 1999, and ending June 30,  
16 2000, the following amount, or so much thereof as is  
17 necessary, which is appropriated to be used for the purpose  
18 designated:

19 For development of a labor management substance abuse  
20 education program, with an emphasis on methamphetamine abuse,  
21 that can serve as a model to be used by labor and management  
22 throughout the state:

23 ..... \$ 30,000

24 DIVISION V

25 Sec. 9. STRENGTHENING FAMILIES PROGRAM.

26 1. The cooperative extension service at Iowa state  
27 university, in association with the institute of social and  
28 behavioral research at Iowa state university, shall develop a  
29 strengthening families program to provide funding and  
30 assistance to communities for families who have children  
31 between the ages of 10 and 14 years of age for prevention of  
32 substance abuse with an emphasis on prevention of  
33 methamphetamine abuse. Communities participating in the  
34 program must contract with the cooperative extension service  
35 and provide a match for the cooperative extension service to

1 bring the program to the community. However, communities  
2 participating in federally funded research activities through  
3 the institute for social and behavioral research at Iowa state  
4 university on the effective date of this Act are not eligible  
5 to participate in the program.

6 2. The governor's alliance on substance abuse shall  
7 subgrant on a reimbursement basis an amount not exceeding  
8 \$270,000 of moneys received by the alliance under the federal  
9 Edward Byrne memorial state and local law enforcement  
10 assistance program to support the strengthening families  
11 program. A strengthening families program fund is established  
12 in the office of the treasurer of state under the authority of  
13 the department of education. The moneys shall be distributed  
14 on a first-come, first-served matching funds basis by the  
15 department of education to communities participating in the  
16 strengthening families program.

17 Notwithstanding section 8.33, moneys in the fund that  
18 remain unencumbered or unobligated at the close of the fiscal  
19 year shall not revert but shall remain available for  
20 expenditure for the purposes designated until the close of the  
21 succeeding fiscal year.

22 3. The cooperative extension service shall solicit the  
23 assistance of the department of education, the Iowa department  
24 of public health, and other public and private agencies  
25 providing services to families in promoting the program.

26 4. There is appropriated from the general fund of the  
27 state to the department of education for the fiscal year  
28 beginning July 1, 1999, and ending June 30, 2000, the  
29 following amount, or so much thereof as is necessary, to be  
30 used for the purpose designated:

31 For communities to participate in the strengthening  
32 families program:  
33 ..... \$ 50,000

34 Sec. 10. Section 279.51, subsection 1, paragraph d, Code  
35 1999, is amended to read as follows:

1 d. For the fiscal year beginning July 1, 1996, and for  
2 each fiscal year thereafter, three million five hundred  
3 thousand dollars of the funds appropriated shall be allocated  
4 as grants to school districts that have elementary schools  
5 that demonstrate the greatest need for programs for at-risk  
6 students with preference given to innovative programs for the  
7 early elementary school years. School districts receiving  
8 grants under this paragraph shall at a minimum provide  
9 activities and materials designed to encourage children's  
10 self-esteem, provide role modeling and mentoring techniques in  
11 social competence and social skills, and discourage  
12 inappropriate drug use. The grant allocations made in this  
13 paragraph may be renewed for additional periods of time. Of  
14 the amount allocated under this paragraph for each fiscal  
15 year, seventy-five thousand dollars shall be allocated to  
16 school districts which have an actual student population of  
17 ten thousand or less and have an actual non-English speaking  
18 student population which represents greater than five percent  
19 of the total actual student population for grants to  
20 elementary schools in those districts.

21 Sec. 11. Section 279.51, subsection 3, unnumbered  
22 paragraph 3, Code 1999, is amended to read as follows:

23 Programs shall provide at a minimum recreation  
24 opportunities; personal skills development; activities and  
25 materials designed to encourage children's self-esteem,  
26 provide role modeling and mentoring techniques in social  
27 competence and social skills, and discourage inappropriate  
28 drug use; basic academic skills development; family  
29 interaction opportunities; and mentoring. Additional  
30 objectives of the programs shall be: to increase the ability  
31 of existing agencies within the community to address the  
32 multiple problems of children and youth and to coordinate  
33 their activities and to facilitate joint planning to make the  
34 most economic and innovative use of community resources.  
35 Priority shall be given to programs that provide access to a

1 center for children and youth after school, in the evening,  
2 and on weekends, and during the summer and that provide a  
3 twenty-four-hour telephone hotline or similar service, and  
4 that provide access to day care or on-site child day care.  
5 Programs shall at a minimum provide career development  
6 services, mental health and family counseling services, and  
7 primary health care services that include but are not limited  
8 to physical examinations, immunizations, hearing and vision  
9 screening, and preventive and primary health care services, in  
10 the context of the educational needs of the students.  
11 Programs shall not include abortion counseling or the  
12 dispensing of contraceptives.

13

EXPLANATION

14 This bill provides funding and establishes programs for  
15 enforcement, prevention, education, and treatment for  
16 substance abuse, especially methamphetamine abuse and sexual  
17 abuse, and for programs for at-risk youth.

18 This bill appropriates moneys to the department of public  
19 safety for the division of narcotics enforcement for the  
20 purpose of employing six narcotics enforcement agents, and for  
21 the division of criminal investigation for two criminalists  
22 within the division of criminal investigation of the  
23 department of public safety to focus on methamphetamine  
24 testing.

25 The bill appropriates moneys to the department of public  
26 safety for the establishment of a clandestine methamphetamine  
27 laboratory emergency response team and specifies the members  
28 of the response team.

29 Federal moneys are transferred to the department of  
30 corrections for establishing two pilot program drug courts.

31 The bill appropriates moneys to the department of human  
32 services for the state training school at Eldora for treatment  
33 for substance abusers and sexual predators.

34 The bill appropriates moneys to the Iowa department of  
35 public health for additional methamphetamine treatment and for

1 development of a model substance abuse prevention program  
2 based upon the North high school program.

3 The bill appropriates moneys to the governor's alliance on  
4 substance abuse for a youth leadership conference on  
5 mentoring.

6 The bill transfers moneys from the health insurance surplus  
7 account to the department of personnel for development of a  
8 labor management substance abuse education program, with an  
9 emphasis on methamphetamine abuse.

10 The bill directs the cooperative extension service, in  
11 association with the institute for social and behavioral  
12 research, to develop a strengthening families program to  
13 assist communities providing programs for families with  
14 children between 10 and 14 years of age for prevention of  
15 substance abuse, especially methamphetamine abuse. The  
16 program shall be funded through the department of education  
17 using federal moneys and state moneys appropriated for use by  
18 communities.

19 The bill requires that the Iowa department of public health  
20 include a methamphetamine education program component in the  
21 nutrition and health-related education services it administers  
22 under the federal special supplemental food program for women,  
23 infants, and children; that grant proposals submitted to the  
24 family development and self-sufficiency council by public or  
25 private organizations for provision of family development  
26 services to families at risk of long-term welfare dependency  
27 must include methamphetamine education as part of the  
28 services; and that school districts which receive school-based  
29 youth services grants or grants for elementary schools  
30 demonstrating the greatest need for at-risk programs must  
31 provide activities and materials designed to encourage  
32 children's self-esteem, provide role modeling and mentoring  
33 techniques in social competence and social skills, and  
34 discourage inappropriate drug use.

DIVISION I

Section 1. ENFORCEMENT. There is appropriated from the general fund of the state to the department of public safety, for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. For the division of narcotics enforcement:

For the employment of six narcotics enforcement agents, and for not more than the following full-time equivalent positions:

.....	\$	505,000
.....	FTEs	6.00

2. For the division of criminal investigation:

For two criminalists for the division's laboratory who will primarily focus on methamphetamine testing, and for not more than the following full-time equivalent positions:

.....	\$	80,956
.....	FTEs	2.00

3. For the establishment of a clandestine methamphetamine laboratory emergency response team within the department, and for not more than the following full-time equivalent positions:

.....	\$	980,000
.....	FTEs	13.00

The clandestine methamphetamine laboratory emergency response team established pursuant to this subsection shall consist of five narcotics agents, one fire marshal special agent, five state patrol officers, one division of criminal investigation investigator, and one division of narcotics enforcement technical support employee.

Sec. 2. YOUTH LEADERSHIP MODEL. There is appropriated from the general fund of the state to the Iowa department of corrections for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

1 For youth leadership model programs to help at-risk youth  
2 in the judicial district departments of correctional services  
3 selected by the department:

4 ..... \$ 100,000

5 The department of corrections shall establish criteria for  
6 judicial district departments of correctional services to  
7 apply for and receive moneys from the department for  
8 assistance in implementing a youth leadership model program.

9 As a part of the program, the judicial district department  
10 of correctional services may recruit, to work with at-risk  
11 children, college or high school students in the judicial  
12 district, regardless of gender, recommended by their  
13 respective schools as good role models, including, but not  
14 limited to, students who possess ability in one or more of the  
15 following areas: intellectual ability, leadership ability,  
16 athletic ability, visual arts ability, or performing arts  
17 ability.

18 Sec. 3. DRUG COURT PILOT PROGRAMS. The governor's  
19 alliance on substance abuse shall subgrant on a reimbursement  
20 basis from moneys received by the alliance under the federal  
21 Edward Byrne memorial state and local law enforcement  
22 assistance program to the department of corrections for the  
23 fiscal year beginning July 1, 1999, and ending June 30, 2000,  
24 the following amount, or so much thereof as is necessary, to  
25 be used for the purpose designated:

26 For expenses associated with establishment of two drug  
27 court pilot programs:

28 ..... \$ 60,000

29 The director of the department of corrections shall  
30 designate from any appropriation from the general fund of the  
31 state to the department for the fiscal year beginning July 1,  
32 1999, and ending June 30, 2000, the amount necessary to  
33 provide a match for the expenses associated with the  
34 establishment of the two drug court pilot programs and, if a  
35 transfer of funds is required, the notice provisions of

1 section 8.39 do not apply.

2

DIVISION II

3 Sec. 4. JUVENILE DELINQUENT TREATMENT. There is  
4 appropriated from the general fund of the state to the  
5 department of human services for the state training school at  
6 Eldora, for the fiscal year beginning July 1, 1999, and ending  
7 June 30, 2000, the following amount, or so much thereof as is  
8 necessary, to be used for the purpose designated:

9 For providing treatment programs for every substance abuser  
10 and sexual predator placed at the state training school  
11 needing treatment:

12 ..... \$ 62,000

13 Sec. 5. Section 217.12, subsection 3, paragraph b, Code  
14 1999, is amended to read as follows:

15 b. Designation of the services to be provided for the  
16 families served, including assistance regarding job-seeking  
17 skills, family budgeting, nutrition, self-esteem,  
18 methamphetamine education, health and hygiene, child rearing,  
19 child education preparation, and goal setting. Grant  
20 proposals shall indicate the support groups and support  
21 systems to be developed for the families served during the  
22 transition between the need for assistance and self-  
23 sufficiency.

24

DIVISION III

25 Sec. 6. METHAMPHETAMINE TREATMENT. There is appropriated  
26 from the general fund of the state to the Iowa department of  
27 public health for the fiscal year beginning July 1, 1999, and  
28 ending June 30, 2000, the following amounts, or so much  
29 thereof as is necessary, to be used for the purposes  
30 designated:

31 1. For additional methamphetamine treatment under the  
32 substance abuse treatment program:

33 ..... \$ 1,500,000

34 2. For development of a model substance abuse prevention  
35 program based upon the North high school program in Des

1 Moines:

2 ..... \$ 30,000

3 Information about the model substance abuse prevention  
4 program developed under this subsection shall be distributed  
5 to schools in this state that have a high percent of students  
6 susceptible to substance abuse, particularly methamphetamine  
7 abuse, to assist those schools that are submitting  
8 applications for competitive grants from the department.

9 Sec. 7. YOUTH LEADERSHIP CONFERENCE ON MENTORING. There  
10 is appropriated from the general fund of the state to the  
11 governor's alliance on substance abuse for the fiscal year  
12 beginning July 1, 1999, and ending June 30, 2000, the  
13 following amount, or so much thereof as is necessary, to be  
14 used for the purpose designated:

15 For planning and holding a youth leadership conference on  
16 mentoring for individuals who agree to serve as mentors to  
17 youth to help reduce substance abuse, especially  
18 methamphetamine abuse, in schools:

19 ..... \$ 20,000

20 Sec. 8. NEW SECTION. 135.16 SPECIAL WOMEN, INFANTS, AND  
21 CHILDREN SUPPLEMENTAL FOOD PROGRAM -- FUNDING ALLOCATION.

22 As a component of the federal funding received by the  
23 department as the administering agency for the special women,  
24 infants, and children supplemental food program, from the  
25 United States department of agriculture, food and consumer  
26 service, the department shall incorporate a methamphetamine  
27 education program into its nutrition and health-related  
28 education services. The department shall be responsible for  
29 the development of the education program to be delivered, and  
30 for the selection of qualified contract agencies to deliver  
31 the instruction under the program.

32 DIVISION IV

33 Sec. 9. LABOR MANAGEMENT SUBSTANCE ABUSE EDUCATION  
34 PROGRAM. The executive council shall transfer from the health  
35 insurance surplus account to the department of personnel for

1 the fiscal year beginning July 1, 1999, and ending June 30,  
2 2000, the following amount, or so much thereof as is  
3 necessary, which is appropriated to be used for the purpose  
4 designated:

5 For development of a labor management substance abuse  
6 education program, with an emphasis on methamphetamine abuse,  
7 that can serve as a model to be used by labor and management  
8 throughout the state:

9 ..... \$ 30,000

10 DIVISION V

11 Sec. 10. STRENGTHENING FAMILIES PROGRAM.

12 1. The cooperative extension service at Iowa state  
13 university, in association with the institute of social and  
14 behavioral research at Iowa state university, shall develop a  
15 strengthening families program to provide funding and  
16 assistance to communities for families who have children  
17 between the ages of 10 and 14 years of age for prevention of  
18 substance abuse with an emphasis on prevention of  
19 methamphetamine abuse. Communities participating in the  
20 program must contract with the cooperative extension service  
21 and provide a match for the cooperative extension service to  
22 bring the program to the community. However, communities  
23 participating in federally funded research activities through  
24 the institute for social and behavioral research at Iowa state  
25 university on the effective date of this Act are not eligible  
26 to participate in the program.

27 2. The governor's alliance on substance abuse shall  
28 subgrant on a reimbursement basis an amount not exceeding  
29 \$270,000 of moneys received by the alliance under the federal  
30 Edward Byrne memorial state and local law enforcement  
31 assistance program to support the strengthening families  
32 program. A strengthening families program fund is established  
33 in the office of the treasurer of state under the authority of  
34 the department of education. The moneys shall be distributed  
35 on a first-come, first-served matching funds basis by the

1 department of education to communities participating in the  
2 strengthening families program.

3 Notwithstanding section 8.33, moneys in the fund that  
4 remain unencumbered or unobligated at the close of the fiscal  
5 year shall not revert but shall remain available for  
6 expenditure for the purposes designated until the close of the  
7 succeeding fiscal year.

8 3. The cooperative extension service shall solicit the  
9 assistance of the department of education, the Iowa department  
10 of public health, and other public and private agencies  
11 providing services to families in promoting the program.

12 4. There is appropriated from the general fund of the  
13 state to the department of education for the fiscal year  
14 beginning July 1, 1999, and ending June 30, 2000, the  
15 following amount, or so much thereof as is necessary, to be  
16 used for the purpose designated:

17 For communities to participate in the strengthening  
18 families program:

19 ..... \$ 50,000

20 Sec. 11. Section 279.51, subsection 1, paragraph d, Code  
21 1999, is amended to read as follows:

22 d. For the fiscal year beginning July 1, 1996, and for  
23 each fiscal year thereafter, three million five hundred  
24 thousand dollars of the funds appropriated shall be allocated  
25 as grants to school districts that have elementary schools  
26 that demonstrate the greatest need for programs for at-risk  
27 students with preference given to innovative programs for the  
28 early elementary school years. School districts receiving  
29 grants under this paragraph shall at a minimum provide  
30 activities and materials designed to encourage children's  
31 self-esteem, provide role modeling and mentoring techniques in  
32 social competence and social skills, and discourage  
33 inappropriate drug use. The grant allocations made in this  
34 paragraph may be renewed for additional periods of time. Of  
35 the amount allocated under this paragraph for each fiscal

1 year, seventy-five thousand dollars shall be allocated to  
2 school districts which have an actual student population of  
3 ten thousand or less and have an actual non-English speaking  
4 student population which represents greater than five percent  
5 of the total actual student population for grants to  
6 elementary schools in those districts.

7 Sec. 12. Section 279.51, subsection 3, unnumbered  
8 paragraph 3, Code 1999, is amended to read as follows:

9 Programs shall provide at a minimum recreation  
10 opportunities; personal skills development; activities and  
11 materials designed to encourage children's self-esteem,  
12 provide role modeling and mentoring techniques in social  
13 competence and social skills, and discourage inappropriate  
14 drug use; basic academic skills development; family  
15 interaction opportunities; and mentoring. Additional  
16 objectives of the programs shall be: to increase the ability  
17 of existing agencies within the community to address the  
18 multiple problems of children and youth and to coordinate  
19 their activities and to facilitate joint planning to make the  
20 most economic and innovative use of community resources.  
21 Priority shall be given to programs that provide access to a  
22 center for children and youth after school, in the evening,  
23 and on weekends, and during the summer and that provide a  
24 twenty-four-hour telephone hotline or similar service, and  
25 that provide access to day care or on-site child day care.  
26 Programs shall at a minimum provide career development  
27 services, mental health and family counseling services, and  
28 primary health care services that include but are not limited  
29 to physical examinations, immunizations, hearing and vision  
30 screening, and preventive and primary health care services, in  
31 the context of the educational needs of the students.  
32 Programs shall not include abortion counseling or the  
33 dispensing of contraceptives.

34

1 Amend Senate File 361, as amended, passed, and  
2 reprinted by the Senate, as follows:

3 1. Page 3, by striking line 33 and inserting the  
4 following:

5 "..... \$ 1,000,000"

6 2. Page 4, by inserting after line 8 the  
7 following:

8 "Sec. \_\_\_\_ . STUDENT ASSISTANCE PROGRAMS. There is  
9 appropriated from the general fund of the state to the  
10 department of education for the fiscal year beginning  
11 July 1, 1999, and ending June 30, 2000, the following  
12 amount, or so much thereof as is necessary, to be used  
13 for the purposes designated:

14 For implementing pilot student assistance programs,  
15 including salaries for substance abuse prevention  
16 specialist positions:

17 ..... \$ 500,000

18 The department of education shall provide for the  
19 evaluation of programs and shall establish criteria  
20 for a consortium of at least five school districts in  
21 collaboration with an area education agency to apply  
22 for and for participating school districts to receive  
23 moneys from the department for assistance in  
24 implementing a pilot student assistance program.

25 Of the moneys appropriated in this section, not  
26 more than \$50,000 shall be used to evaluate student  
27 assistance programs.

28 The department of education shall establish  
29 requirements governing the implementation by a  
30 consortium of a student assistance program designed to  
31 prevent drug and alcohol abuse by children in grades  
32 kindergarten through twelve. Each consortium seeking  
33 to implement the program shall provide that  
34 participating school districts establish a substance  
35 abuse prevention specialist position. The specialist  
36 shall be responsible for implementing the program in  
37 the school district, including the development of  
38 student assistance teams.

39 The purpose of a student assistance team is to  
40 provide a means of identifying students' academic and  
41 social at-risk behaviors as early as possible and to  
42 remediate the behaviors. Remediation approaches may  
43 include but are not limited to linking students with  
44 adult or student mentors, tutoring, reading recovery  
45 programming, developing appropriate curriculum,  
46 promoting activities to build social skills, fostering  
47 parental involvement, and encouraging appropriate  
48 community activities. A student assistance team may  
49 include school faculty, administrators, other school  
50 staff, juvenile court officers, parents, and other

RELATING TO ENFORCEMENT, PREVENTION, EDUCATION, AND TREATMENT FOR SUBSTANCE ABUSE AND SEXUAL ABUSE, AND PROVIDING APPROPRIATIONS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

DIVISION I

Section 1. ENFORCEMENT. There is appropriated from the general fund of the state to the department of public safety, for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. For the division of narcotics enforcement:

For the employment of six narcotics enforcement agents, and for not more than the following full-time equivalent positions:

..... \$ 505,000
..... FTEs 6.00

2. For the division of criminal investigation:

For two criminalists for the division's laboratory who will primarily focus on methamphetamine testing, and for not more than the following full-time equivalent positions:

..... \$ 80,956
..... FTEs 2.00

3. For the establishment of a clandestine methamphetamine laboratory emergency response team within the department, and for not more than the following full-time equivalent positions:

..... \$ 980,000
..... FTEs 13.00

The clandestine methamphetamine laboratory emergency response team established pursuant to this subsection shall

consist of five narcotics agents, one fire marshal special agent, five state patrol officers, one division of criminal investigation investigator, and one division of narcotics enforcement technical support employee.

Sec. 2. YOUTH LEADERSHIP MODEL. There is appropriated from the general fund of the state to the Iowa department of corrections for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For youth leadership model programs to help at-risk youth in the judicial district departments of correctional services selected by the department:

..... \$ 100,000

The department of corrections shall establish criteria for judicial district departments of correctional services to apply for and receive moneys from the department for assistance in implementing a youth leadership model program.

As a part of the program, the judicial district department of correctional services may recruit, to work with at-risk children, college or high school students in the judicial district, regardless of gender, recommended by their respective schools as good role models, including, but not limited to, students who possess ability in one or more of the following areas: intellectual ability, leadership ability, athletic ability, visual arts ability, or performing arts ability.

Sec. 3. DRUG COURT PILOT PROGRAMS. The governor's alliance on substance abuse shall subgrant on a reimbursement basis from moneys received by the alliance under the federal Edward Byrne memorial state and local law enforcement assistance program to the department of corrections for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For expenses associated with establishment of two drug court pilot programs:

..... \$ 60,000

The director of the department of corrections shall designate from any appropriation from the general fund of the state to the department for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the amount necessary to provide a match for the expenses associated with the establishment of the two drug court pilot programs and, if a transfer of funds is required, the notice provisions of section 8.39 do not apply.

DIVISION II

Sec. 4. JUVENILE DELINQUENT TREATMENT. There is appropriated from the general fund of the state to the department of human services for the state training school at Eldora, for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For providing treatment programs for every substance abuser and sexual predator placed at the state training school needing treatment:

..... \$ 62,000

Sec. 5. Section 217.12, subsection 3, paragraph b, Code 1999, is amended to read as follows:

b. Designation of the services to be provided for the families served, including assistance regarding job-seeking skills, family budgeting, nutrition, self-esteem, methamphetamine education, health and hygiene, child rearing, child education preparation, and goal setting. Grant proposals shall indicate the support groups and support systems to be developed for the families served during the transition between the need for assistance and self-sufficiency.

DIVISION III

Sec. 6. METHAMPHETAMINE TREATMENT. There is appropriated from the general fund of the state to the Iowa department of public health for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amounts, or so much thereof as is necessary, to be used for the purposes designated:

1. For additional methamphetamine treatment under the substance abuse treatment program:

..... \$ 1,500,000

2. For development of a model substance abuse prevention program based upon the North high school program in Des Moines:

..... \$ 30,000

Information about the model substance abuse prevention program developed under this subsection shall be distributed to schools in this state that have a high percent of students susceptible to substance abuse, particularly methamphetamine abuse, to assist those schools that are submitting applications for competitive grants from the department.

Sec. 7. YOUTH LEADERSHIP CONFERENCE ON MENTORING. There is appropriated from the general fund of the state to the governor's alliance on substance abuse for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For planning and holding a youth leadership conference on mentoring for individuals who agree to serve as mentors to youth to help reduce substance abuse, especially methamphetamine abuse, in schools:

..... \$ 20,000

Sec. 8. NEW SECTION. 135.16 SPECIAL WOMEN, INFANTS, AND CHILDREN SUPPLEMENTAL FOOD PROGRAM -- FUNDING ALLOCATION.

As a component of the federal funding received by the department as the administering agency for the special women, infants, and children supplemental food program, from the

United States department of agriculture, food and consumer service, the department shall incorporate a methamphetamine education program into its nutrition and health-related education services. The department shall be responsible for the development of the education program to be delivered, and for the selection of qualified contract agencies to deliver the instruction under the program.

DIVISION IV

Sec. 9. LABOR MANAGEMENT SUBSTANCE ABUSE EDUCATION PROGRAM. The executive council shall transfer from the health insurance surplus account to the department of personnel for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, which is appropriated to be used for the purpose designated:

For development of a labor management substance abuse education program, with an emphasis on methamphetamine abuse, that can serve as a model to be used by labor and management throughout the state:

..... \$ 30,000

DIVISION V

Sec. 10. STRENGTHENING FAMILIES PROGRAM.

1. The cooperative extension service at Iowa state university, in association with the institute of social and behavioral research at Iowa state university, shall develop a strengthening families program to provide funding and assistance to communities for families who have children between the ages of 10 and 14 years of age for prevention of substance abuse with an emphasis on prevention of methamphetamine abuse. Communities participating in the program must contract with the cooperative extension service and provide a match for the cooperative extension service to bring the program to the community. However, communities participating in federally funded research activities through the institute for social and behavioral research at Iowa state

university on the effective date of this Act are not eligible to participate in the program.

2. The governor's alliance on substance abuse shall subgrant on a reimbursement basis an amount not exceeding \$270,000 of moneys received by the alliance under the federal Edward Byrne memorial state and local law enforcement assistance program to support the strengthening families program. A strengthening families program fund is established in the office of the treasurer of state under the authority of the department of education. The moneys shall be distributed on a first-come, first-served matching funds basis by the department of education to communities participating in the strengthening families program.

Notwithstanding section 8.33, moneys in the fund that remain unencumbered or unobligated at the close of the fiscal year shall not revert but shall remain available for expenditure for the purposes designated until the close of the succeeding fiscal year.

3. The cooperative extension service shall solicit the assistance of the department of education, the Iowa department of public health, and other public and private agencies providing services to families in promoting the program.

4. There is appropriated from the general fund of the state to the department of education for the fiscal year beginning July 1, 1999, and ending June 30, 2000, the following amount, or so much thereof as is necessary, to be used for the purpose designated:

For communities to participate in the strengthening families program:  
..... \$ 50,000

Sec. 11. Section 279.51, subsection 1, paragraph d, Code 1999, is amended to read as follows:

d. For the fiscal year beginning July 1, 1996, and for each fiscal year thereafter, three million five hundred thousand dollars of the funds appropriated shall be allocated

as grants to school districts that have elementary schools that demonstrate the greatest need for programs for at-risk students with preference given to innovative programs for the early elementary school years. School districts receiving grants under this paragraph shall at a minimum provide activities and materials designed to encourage children's self-esteem, provide role modeling and mentoring techniques in social competence and social skills, and discourage inappropriate drug use. The grant allocations made in this paragraph may be renewed for additional periods of time. Of the amount allocated under this paragraph for each fiscal year, seventy-five thousand dollars shall be allocated to school districts which have an actual student population of ten thousand or less and have an actual non-English speaking student population which represents greater than five percent of the total actual student population for grants to elementary schools in those districts.

Sec. 12. Section 279.51, subsection 3, unnumbered paragraph 3, Code 1999, is amended to read as follows:

Programs shall provide at a minimum recreation opportunities; personal skills development; activities and materials designed to encourage children's self-esteem, provide role modeling and mentoring techniques in social competence and social skills, and discourage inappropriate drug use; basic academic skills development; family interaction opportunities; and mentoring. Additional objectives of the programs shall be: to increase the ability of existing agencies within the community to address the multiple problems of children and youth and to coordinate their activities and to facilitate joint planning to make the most economic and innovative use of community resources. Priority shall be given to programs that provide access to a center for children and youth after school, in the evening, and on weekends, and during the summer and that provide a twenty-four-hour telephone hotline or similar service, and

that provide access to day care or on-site child day care. Programs shall at a minimum provide career development services, mental health and family counseling services, and primary health care services that include but are not limited to physical examinations, immunizations, hearing and vision screening, and preventive and primary health care services, in the context of the educational needs of the students. Programs shall not include abortion counseling or the dispensing of contraceptives.
