23 as provided in section 96.15. However, a wage assignment  
24 executed under this subsection shall be enforced only after an  
25 order for income withholding pursuant to chapter 252D or a

27 of a state law, or of a city or county ordinance except an  
28 ordinance regulating the parking of motor vehicles, the court  
29 shall assess an additional penalty in the form of a surcharge  
30 equal to ten dollars. In the event of multiple offenses, the  
31 surcharge shall be based upon the total number of offenses.  
32 When a fine or forfeiture is suspended in whole or in part,  
33 the surcharge shall not be reduced.

34 The surcharge is subject to the provisions of chapter 909  
35 governing the payment and collection of fines, as provided in

1 section 909.8.

2 Sec. 20. NEW SECTION. 911A.3 DISPOSITION OF SURCHARGE.

5 contrary, proceeds from the surcharge shall be appropriated  
6 and transferred to the treasurer of the county in which the  
7 citation was issued to be deposited in the county general fund  
8 and used only for courthouse security and the improvement,  
9 expansion, operation, or construction of a jail or juvenile  
10 detention facility.

11 2. At any time and for the purposes specified in

28 following full-time equivalent positions:

29 .....	\$	200,000
30 .....	FTEs	2.00

31 Sec. 22. EFFECTIVE DATE. Sections 10 through 13 and 21 of  
32 this Act, relating to local corrections infrastructure, being  
33 deemed of immediate importance, take effect upon enactment.

34 EXPLANATION

35 Sections 10 through 13 and 21 of this bill relate to

1 corrections and crime prevention by creating a local  
2 corrections infrastructure grant program and making an  
3 appropriation to the department of human rights, division of  
4 criminal and juvenile justice planning for costs to develop  
5 the program and an appropriation to the department of economic  
6 development for a juvenile crime prevention summer youth  
7 employment program.

8 New Code section 905A.1 provides definitions. New Code  
9 section 905A.2 directs the division to adopt rules to create  
10 the infrastructure grant program and to issue a request for  
11 proposals from the 14 judicial election districts in the  
12 state. The grants are to be available in two groupings: a  
13 grouping dividing \$25 million based upon the proportion a  
14 judicial election district bears to the state general  
15 population, and a grouping for \$9 million in grants based upon  
16 other criteria including crime, innovation, and statewide  
17 need. A proposal may incorporate more than one project. Each  
18 judicial election district is limited to one proposal for each  
19 grouping. The proposals are limited to infrastructure  
20 projects for county or regional jails, county or regional  
21 juvenile detention or shelter care homes, and community-based  
22 correctional program facilities or school-based crime  
23 prevention projects. The bill provides proposal submission  
24 deadlines but allows the division to extend the deadlines for  
25 good cause. The office of the attorney general and the  
26 university of northern Iowa's criminology program are to work  
27 with the division in developing evaluation procedures and  
28 other components of the grant program.

29 Under new Code section 905A.3, a task force is to be  
30 created by the division and is required to assist the division  
31 in scoring and evaluating proposals. The membership is to  
32 include various representatives of law enforcement, the  
33 judicial system, local governments, schools, and corrections  
34 services, and others deemed necessary by the division or the  
35 task force.

1 New Code section 905A.4 provides that the funding for the  
2 grants is provided from prison infrastructure revenue bonds  
3 issued by the Iowa finance authority under Code section  
4 16.177. Upon direction by the division, the department of  
5 corrections is directed to pledge amounts in the Iowa prison  
6 infrastructure fund to pay the bonds.

7 Section 21 of the bill provides for a \$200,000  
8 appropriation to the division and an \$800,000 appropriation to  
9 the department of economic development for the fiscal year  
10 beginning July 1, 1999. Sections 10 through 13 and 21 of the  
11 bill take effect upon enactment.

12 Section 14 of the bill provides that a payment in lieu of a  
13 fine may be assessed against a person who receives a deferred  
14 judgment in a case where a minimum fine would otherwise be  
15 ordered.

16 Section 15 of the bill also establishes a mandatory wage  
17 assignment for payment of fines in installments or on a fixed  
18 date that remain unpaid. The garnishment limits of the state  
19 do not apply but the wage assignment will be subject to first  
20 priority enforcement of support orders.

21 The bill also establishes a jail, courthouse security, and  
22 detention facility surcharge which provides for the assessment  
23 of a \$10 surcharge on criminal fines and forfeitures imposed  
24 for the violation of state law or city or county ordinance.  
25 The \$10 surcharge would be transferred to the county in which  
26 the citation was issued for use in providing courthouse  
27 security and financing the improvement, expansion, operation,  
28 or construction of county jail and juvenile detention  
29 facilities. The bill provides that the surcharge proceeds  
30 shall be deposited in the county general fund. The bill also  
31 provides that the county may transfer, at any time, the funds  
32 to a contiguous county or a county in which it has a  
33 relationship concerning the use of its jail or juvenile  
34 detention facility for the purposes authorized by this bill.  
35 The surcharge is not considered part of a county penalty for

1 purposes of the maximum amount authorized counties for  
2 penalties.
