1 Section 1. Section 303.16, Code 1999, is amended by adding
2 the following new subsection:

3 NEW SUBSECTION. 10. a. The general assembly finds that
4 the country school that served Iowa's educational needs for
5 much of its history offered a unique opportunity to students
6 and communities, providing for multigenerational attendance,
7 high educational performance, a safe environment, a focus for
8 community support, and a caring, attentive environment.

9 b. A country schools historical resource preservation
10 grant program is therefore established to be administered by
11 the historical division for the preservation of one-room and
12 two-room buildings once used as country schools. In
13 developing grant approval criteria, the division shall place a
14 priority on the educational uses planned for the country
15 school building, which may include, but are not limited to,
16 historical interpretation and use as a teaching museum or as
17 an operational classroom accessible to a school district or
18 accredited nonpublic school for provisional instructional
19 purposes.

20 c. Notwithstanding any other provision of this section,
21 the amount of a grant shall not exceed twenty-five thousand
22 dollars and applicants shall match grant funding on a dollar-
23 for-dollar basis, of which at least one-half of the local
24 match must be in cash.

25 d. Ten percent of the funds appropriated annually for
26 purposes of this section shall be allocated for purposes of
27 this subsection.
