1 30 EXPLANATION

1 31 This bill amends the Code section relating to the filing of
1 32 a veterinary lien. The bill requires that the verified
1 33 account for products provided and services rendered be filed
1 34 with the secretary of state, rather than the clerk of the
1 35 district court, that the lien must be filed within 180 days
2 1 after the last day products were provided or services were
2 2 rendered, rather than 60 days, and that the lien is limited to
2 3 products provided or services rendered within two years prior
2 4 to the filing of the lien.

2 5 The bill also reorganizes the Code section and provides
2 6 that the secretary of state may create and provide forms for
2 7 filing.
