*HF 2262*

1 Section 1. NEW SECTION. 100.1A BUILDING PLAN APPROVAL --  
2 CONCLUSIVE EFFECT.

3 If the state fire marshal is required or requested to  
4 approve the working plans and specifications of a building  
5 construction project which the state fire marshal has  
6 authority to review pursuant to rule, and the state fire  
7 marshal approves the plans and specifications, the approval  
8 shall be conclusive as to the compliance of the plans and  
9 specifications with the building requirements within the state  
10 fire marshal's scope of authority.

11 EXPLANATION

12 This bill provides that if the state fire marshal reviews  
13 the plans and specifications of a building construction  
14 project, approval by the state fire marshal shall be  
15 conclusive as to the compliance of the project with the  
16 building requirements within the state fire marshal's scope of  
17 authority.
