24 EXPLANATION

25 This bill provides for qualified state tuition program
26 modifications to maintain consistency with federal law
27 changes.

28 The bill provides that higher education costs shall include
29 room and board expenses in an amount applicable to the student
30 in calculating costs of attendance for federal financial aid
31 programs pursuant to section 472 of the federal Higher
32 Education Act of 1965, 20 U.S.C. § 1088, or, for students
33 living in housing owned or operated by an institution of
34 higher education, the actual amount, if greater, charged by
35 the institution for room and board. Formerly, reasonable room

1 and board expenses based on the minimum amount applicable for
2 an institution of higher education were permitted. The bill
3 also adds expenses of a special needs beneficiary which are
4 necessary in connection with the beneficiary's enrollment or
5 attendance as a higher education cost.

6 The bill provides for an increase in the maximum
7 contribution which is deductible for Iowa income tax purposes
8 from \$2,000 to \$3,000 per beneficiary per year.

9 The bill provides that a refund penalty formerly applicable
10 upon cancellation of a participation agreement shall not be
11 levied.

12 The bill provides that the provisions applicable to the
13 education savings plan trust regarding contributions to and
14 interest and earnings from the trust for Iowa income tax
15 purposes shall also apply with regard to a qualified tuition
16 program. The bill provides that a "qualified tuition program"
17 is a program providing that amounts contributed in exchange
18 for tuition credits or certificates at an eligible education
19 institution are held in a qualified trust, and which receives
20 a ruling or determination from the internal revenue service
21 that the program meets the requirements of section 529 of the
22 Internal Revenue Code.

23 The bill takes effect upon enactment and applies
24 retroactively to January 1, 2002, for tax years beginning on
25 or after that date.
