13 prevention education under section 4, subsection 2, of this
14 Act, for which each block grant is available according to the
15 percentages that each program is to receive as specified in
16 this Act. However, if the governor determines that the funds
17 allocated by the percentages will not be sufficient to effect
18 the purposes of a particular program, or if the appropriation
19 is not allocated by percentage, the governor may allocate the
20 funds in a manner which will effect to the greatest extent
21 possible the purposes of the various programs for which the

13 shall be prorated to the appropriate programs according to the
14 percentages specified in those sections, except additional
15 funds shall not be prorated for administrative expenses.

16 2. If actual funds received from the federal government
17 from block grants exceed the amount appropriated in section 11
18 of this Act for the low-income home energy assistance program,

20 low-income residential weatherization program and not more
21 than 5 percent of the excess may be used for administrative
22 costs.

23 3. If funds received from the federal government from
24 community services block grants exceed the amount appropriated
25 in section 9 of this Act, 100 percent of the excess is
26 allocated to the community services block grant program.

27 4. If the amount of moneys received from the federal

30 appropriated for the purpose designated in the specific
31 grant's appropriation. An annual report listing any such
