2 2001, is amended to read as follows:

3 d. Passes an examination prescribed by the board. The
4 examination ~~may~~ shall include both practical demonstrations

6 specific system or method. However, a member of the board who

10 EXPLANATION

11 This bill requires a cosmetology arts and sciences
12 practitioner licensing examination to include a practical
13 demonstration component. Currently, Code section 157.3
14 provides that a licensing examination may include a practical
15 demonstration, but does not require that a practical
16 demonstration be incorporated in addition to a written or oral
17 test.
