## HOUSE FILE 720 FISCAL NOTE

A fiscal note for **House File 720** is hereby submitted pursuant to Joint Rule 17. Data used in developing this fiscal note is available from the Legislative Fiscal Bureau to members of the Legislature upon request.

House File 720 increases the fees for non-resident hunting and fishing licenses sold by the Department of Natural Resources. The Bill requires non-resident deer hunters and turkey hunters to purchase a non-resident hunting license, a non-resident deer or turkey license, and to pay a wildlife habitat fee. The Bill increases the resident and non-resident wildlife habitat fee and creates a fish habitat fee. The Bill creates an antlerless deer only license for a non-resident and allows resident farm owners to purchase two additional antlerless-deer hunting licenses to be used on their farmland. The number of non-resident wild turkey licenses is increased from 2,000 to 2,300 and the number of non-resident hunting license is increased from 7,500 to 8,500. The fee increases will be effective on December 15, 2001, for the 2002 hunting and fishing license year.

### ASSUMPTIONS

- 1. The estimated fee revenue received from increased non-resident licenses and fees will be \$2.5 million per year.
- The estimated fee revenue received from the new fish habitat fee will be \$689,000 per year. Half of this amount, or \$344,000, will be used for County Conservation Board Grants.
- 3. The estimated fee revenue received from resident wildlife habitat fees will be \$320,000 per year. Half of this amount, or \$160,000, will be used for County Conservation Board Grants.

#### FISCAL IMPACT

The estimated fiscal impact of House File 720 is an increase in receipts to the Fish and Wildlife Trust Fund of \$3.6 million for FY 2002 and for subsequent years. There will be an additional \$504,000 available for County Conservation Board Grants.
